Nation's 4-H's Seek to Cut Death Toll of Farm Folk on Rural Highways

Look out, young feller!

CHICAGO—(Special)—"Make Safety Your Number One Crop," the slogan of several million rural boys and girls throughout the nation since its introduction in 1945, continues to be fostered by more than 615,000 4-H Club members. They are taking part in the 1954 National 4-H Safety Program being conducted in 46 states for the tenth consecutive year. Participants receive training in farm accident and fire prevention, which includes checking and removing hazards of every conceivable nature.

These surveys are credited by safety experts as being a valuable contribution to the nationwide campaign to reduce the tragic annual toll of 15,000 lives and 1,225,000 disabling injuries to farm folk.

In conducting their surveys, the 4-H'ers look for such safety hazards as loose or floppy clothing worn about moving farm machinery, cluttered stairways, oily rags, frayed electric cords, broken ladder rungs and sharp tools.

What is becoming an increasingly serious problem is that ac-
