## Ewing Tigers Rate 8th in Class 'C'

### Pirates Roll to 46-0 Triumph

### Norman Klasna Gets 4 Touchdowns

SPENCER—The Spencer high Pirates started off their conference play Friday night with a 46-0 win over Bonesteel, S.D.

In the first quarter, Spencer took advantage of three Bonesteel fumbles to take the lead. Spencer's running plays worked smoothly throughout the game, and the Spencer defense was good in the tight spots, holding Bonesteel scoreless through several goal line stands.

Outstanding defensive play was delivered by these Pirates: Norman Anderson, Richard Friedrich and Dennis Edwards. Pirate scorers were Norman Klasna and four TD's, Norman Anderson with two, and Dennis Edwards with one. Two drop kick conversions were made by Kenneth Rosengren.

As defending champions of the Nebraska-South Dakota conference, the Spencer team puts its title on the block when the Pirates meet a strong Fairfax, S.D., team Friday, October 8, 8 p.m., at Spencer.

EWING—The Ewing high Tigers, sporting a fancy 26-0 victory over the Atkinson high Balers Friday night, rank in eighth position among the class C prep grid teams in the state according to Gregg McBride of the Omaha World-Herald. The Tiers have owned the slot for the past two weeks.

At Atkinson the Tigers were expecting a tough go, but the program for the evening turned out differently.

After an exchange of punts, Soph Jack Sisson returned the ball to Atkinson's 30. Bob Hobbs, Keith Gibson, Deb Carl and Sisson moved the oval to the 12 from where Sisson scored around right end.

Sonny Carl booted the kickoff for their initial first down of the game, but finally had to kick to Ewing's 40. Ewing led 13-0 at the half.

Gibson had a 22-yard sprint called back. Not to be denied, he carried on a succession of scrambles and tallied his first TD of the season.

The Balers completed a pass for their initial first down of the game, but finally had to kick to Ewing's 40. Ewing led 13-0 at the half.

Gibson intercepted an Atkinson flip in the third, taking the ball to Atkinson's 25. Sisson hit Deb Carroll on a 19-yard pass for Ewing's third TD.

Coach Dick Lane then began to substitute freely, using all 24 men on his traveling squad. Deb Carl smashed 25 yards for Ewing's fourth marker.

The overall line play, end-to-end, was highly satisfying to Ewing loyalists. Neal Scheer and Leo Spes look good at the tackle spots.

Anderson and Butterfield were best for the losers. Ewing racked up 12 first downs; Atkinson seven. The Tigers registered 225 yards at scrimmage, all but 19 on the ground.

## Elgin Walks Away from CHS Coyotes

### Understaffed Holt Team No Match

CHAMBERS—The Elgin high Eagles routed the Chambers high Coyotes Friday night by scoring 50 points in a little over two quarters of play.

Elgin, fielding virtually the same team that handed Chambers its lone defeat last year, swamped the Coyotes, using practically every method in the book. The Eagles built up a 44-0 lead at halftime.

After the second half kickoff, the receiving Coyotes lost the ball on a fumble. The Eagles promptly scored on a long pass to abruptly end the game.

Coach Johnson of Elgin used every available substitute during the short game.

Coach L. J. Ekdahl of Chambers used every man of his 14-man squad in an unsuccessful effort to stop the flood of Elgin touchdowns.

Leon Urban, crack Chambers senior end, suffered a badly bruised back in the second period of a game played Monday, September 18, with Bartlett. The game was won by Bartlett, 34-18.

## Eagles Fashion Easy 46-18 Win

### 'Converted' Lineman Scores 3 TD's

Duane Alton, a lineman until a fortnight ago, blossomed in the backfield again Friday night as the O'Neill high Eagles rolled to an easy 46-18 victory over the Creighton Maroons in Carney park. A medium-sized crowd witnessed the proceedings as the Eagles' converted linemen scored three touchdowns.

Alton's first scoring sprint came in the first quarter when he skirted right end for 15 yards. He added two more touchdowns in the fourth—one on a 6-yard plunge and the other an off-tackle slant from the 20.

The Eagles were in front 20-6 at the half, and they outproduced the Maroons, 19-5, in the matter of first downs. Creighton was obliged to punt four times; O'Neill once.

Coach Marvin Miller singled out Alton's offensive and defensive play for special praise, also the work of Bob Sanders, Frank Fetrow and Eddie Ritts.

Bonge, Creighton fullback, was best for the visitors. Both teams were quite evenly matched in weight. Creighton holds wins over Hartington high and Tilden. The Eagles lost to Plainview, Bassett and Burwell.

O'Neill will be host to Ainsworth Friday night under the lights here, and this one promises to be a good one, both teams sporting comparable records.

Ainsworth played a scoreless tie with Atkinson, lost to Bassett, 12-26 and lost to Valentine 6-19. Last year the Eagles finished on top, 34-12, when Ainsworth and O'Neill collided at Ainsworth.

## Greeley Team Raps Cardinals

### But Nubbins Score Win Over Orchard

The St. Mary's academy Cardinals dropped their fourth game in a row Friday night under the lights at Greeley. The Sacred Heart six-manners defeated the O'Neill crew, 40-6.

Greeley blocked a punt in the end zone and scored early in the game, and punched across another TD before the half ended. The Irish managed a touchdown in the third period and added misery to the Cardinal cause with three quickies in the final stanza.

The plucky Cardinals threatened often but the Greeley defense always stiffened. Terry Wanser hit Cuddy in the end zone with a 22-yard pass in the final minute of the game, saving the Cards from a shutout.

The cards will make their final showing at home tonight (Thursday) by entertaining the Indians of Marty Mission, S.D.

The St. Mary's nubbins exhibited what the future holds in store by rolling to an easy 21-12 victory over Orchard in a freshman football game played at Orchard Tuesday afternoon. The Cardinals built a 21-0 lead then eased up and allowed the Orchard Orioles two touchdowns in the final four minutes. Coach Don Templemeyer cleared the bench, giving all 15 men plenty of action.

Froelich got the ball rolling, driving for a touchdown the third scrimmage play for the Cards. Holly set the play up with a 30-yard punt return. Schneider and Slaight then added two points to the academy total when they trapped an Oriole runner in his own end zone. Schneider took a 20-yard pass from Holly, reversed his field and went 50 yards to score. Holly ran for the extra point and St. Mary's lead 15-0. Holly circled right for the final touchdown to round out St. Mary's scoring.

## Autumn Special: "Cheez-It Ham Pie"

A sure sign of autumn that's universally known to every homemaker is the return of hearty cool-weather appetites to all the family. Here's a recipe for a nourishing meal-in-itself dish, specially developed for welcoming the new season. Its delicious blending of two old-time flavor favorites—cheese and ham—will delight small- and grown-ups alike. Called Cheez-It Ham Pie, this tasty new main dish is made with a crumb crust of inch-square cheese crackers, and a filling of ground cooked ham seasoned with minced onion and green pepper, horseradish and mustard. Prepare it this easy way:

**Cheez-It Ham Pie**

1/4 cup melted butter	1 teaspoon salt
1 1/2 cups crushed Cheez-It Cracker crumbs	2 tablespoons grated horseradish
1 lb. ground ready-to-eat lean ham	1/2 cup minced onion
1 cup milk	1/4 cup minced green pepper
2 eggs, slightly beaten	1/2 teaspoon prepared mustard

Combine melted butter and 1 1/2 cups crushed cracker crumbs. Press crumb mixture firmly into bottom and around sides of 9-inch pie pan. Bake crust 10 minutes at 350°F. (moderate oven). Meanwhile, combine ground ham, milk, beaten eggs, salt, horseradish, onion, green pepper and mustard. Blend well. Pour into baked Cheez-It crust. Sprinkle with remaining crumbs and bake at 350°F. for 40 to 50 minutes, or until knife inserted in center comes out clean. Cut into wedges to serve. Makes 6 generous servings.

Note: To make crumbs for pie crust, roll Cheez-It Crackers on waxed paper with rolling pin.

## Flood Control Principal Topic

### Governor Draws 11-Man Committee

LINCOLN—State government this week moved into a new field, watershed development and flood control.

Gov. Robert Crosby continued drawing up an 11-man interim committee to advise him on watershed development and to write legislation so the state can assume more responsibility in this area.

The committee will advise Governor Crosby on four applications he has received from potential watershed districts which want surveys under the new federal Hope-Aiken act passed by the recent session of congress.

Under the new law the governor, or an agency designated by him, may approve or disapprove these applications. If he approves one—or does not disapprove it in 45 days—it goes to the U. S. secretary of agriculture. The secretary may then authorize a survey.

Eventual work on the watershed would be on a cost sharing basis between the federal govern-

ment and state or local agencies. Governor Crosby said the program was of special interest to him because it had been largely promoted in congress by Nebraskans

Go to Washington—On the other side of the ledger it appeared that Nebraska was once more "going to Washington" for help in another area.

This concerned the purchase of land for public recreation areas for boating, fishing, and picnicking around the new Gavin's point dam reservoir on the Missouri river.

The Eisenhower administration, on grounds of economy, has reduced the amount of land it will purchase around these man-made lakes to 300 feet from the five-year average high water mark.

In the past the government has bought anywhere from one-quarter to one-half a mile away from the lake shore.

Nebraska officials, led by Governor Crosby and the members of the U. S. senate and congress, have worked to get more land purchased by the federal government. They have not been successful.

Who'll Serve?—State officials were wrestling with the question of who will be representing Nebraska in the U. S. senate when it reconvenes Nov. 8 to consider censure.

## Water Tower Gets Emergency Repair

(Continued from page 1.) about 32 years ago. It has been pointed several times.

A city council spokesman said the tower repair is an emergency expense. There has been leakage around the legs and serious rusting. Weaknesses in tanks are made serious in winter by the strain of ice.

The council was told the O-

Neill tower might hold out for five or 10 years without repair; on the other hand, they learned it might give away tomorrow. The council decided to postpone until the next session the adoption of assessments in connection with street improvement districts nine, 10, 11, 14 and 15. These were the districts in which paving was completed during the past summer.

Mr. and Mrs. Henry Reimer and family of Niobrara visited Sunday at the home of Mr. and Mrs. Louis Reimer, jr.
