Weatherman Aids in School Dedication

Caroline Cobb Is Elected Queen

STUART - The weatherman cooperated beautifully with a clear sky and warm sunshine on Friday, October 8, for the dedication of the new school building

and the annual homecoming. The school shop was filled to capacity for the dedication program which was as follows:

Invocation, Rev. D. D. Su; "Opener," P. Weeks; band, Robert Bichel, director; welcome, Norris Coats; presentation of flag, Commander Bud Kunz (on behalf of American Legion post No. 115; band performed some interesting introduction of guests and speak- drills and the homecoming king er, Superintendent Baack; address, Freeman B. Decker, state

At 4 o'clock there was a parade | the attendants. with the school band and floats by the high school classes, while the grade school children marched or rode gaily decorated bicycles. Floats by the junior and sophomore classes tied for first

Style, power, lower prices feature the 1955 Studebakers which go on display in O'Neill on Saturday, October 16, at the Smith Motor Co., 316 East Fremont street. The long, low, distinctive styling of the Studebaker hardtop convertible (above) is accentuated in the '55 models by the sweeping effect of chrome side mouldings that extend from the headlights, above the massive appearing grille, to the newly-styled tail lights. A convertible will be one of the models on the Smith show floor. The flowing lines of this President State model are further brought out by hood and fender ornaments. The interiors are styled in diamond pattern nylon and rayon upholstery in complementary colors. Elegance of interior appointments and trim adds to the luxury of the high styling. The new Studebaker "Wildcat" V-8 engine with 175 horsepower gives this model superior performance and roadability. Lower prices prevail throughout the entire Studebaker line.
