CARDS OF THANKS

THANK YOU, Doctor Wilson, for your kind attention and wonderful care and everyone else who helped to ease my aching head and heavy heart after my injury and during my hospitalization. Thank you, Aunt Pauline Benge, for so graciously caring for my little brothers and sister so Mommie could stay by me.

JIMMIE DUSATKO 27p50

TO THANK each one personally who cheered me after my surgery would take too much space, but I want to especially thank Doctors Wilson and Langdon for their kind attention and care; Father Kucera for his inspiring visits and consolation to my Mommie; to the sweet sisters and the good ladies in white and the many friends and relatives who did all they could which means much to a little boy's heart. My Grandma and Grandpa Babi were so good to take care of my little brothers and sister so Mommie could stay close to me. I just know Jesus will bless everyone who helped me.

JERRY DUSATKO 27p50

THANKS to everyone for the many kindnesses extended to me during my stay in St. Anthony's hospital.

GARY HOLLY 27p50
