

Rites at Burke for Accident Victims

ATKINSON—Funeral services were conducted at Burke, S.D., Wednesday, November 3, for Mrs. W. A. Small, 80, mother of C. F. Small of Atkinson.

Mrs. Small and her 2-year-old granddaughter, Roberta Pearl Small, were killed in an accident Saturday, October 30, four miles west of Dallas, S.D., on highway 18. The car in which they were riding went out of control on a wet and slippery highway.

Roberta was a daughter of Mr. and Mrs. Robert Small of Sioux Falls, S.D., who were passengers in the car.

The late Mrs. W. A. Small, whose maiden name was Mary Halstead, was born May 13, 1874, at Sibley, Ia. She married William Alfred Small on February 15, 1893, and lived in a log cabin near the Keya Paha river near Butte. They became the parents of nine children.

In 1905 the Smalls established a homestead in Gregory county, South Dakota, 18 miles north of Burke.

In 1943 the Smalls observed their golden wedding anniversary. Mr. Small died January 12, 1944.

Survivors include: Sons—Cecil of Winner, S.D.; Ed of Seenic, S.D.; C. F. ("Frank") of Atkinson; Willard of Norwalk, Calif.; daughters—Mrs. W. E. Geyer of Temple City, Calif.; Mrs. Gladys Ehrli of Arcadia, Calif.; Mrs. Floyd Quick of Toledo, Ore.; Mrs. Wesley Greer of Rawlins, Wyo.; Mrs. Clifford Killum of Venice, Calif.; 24 grandchildren; 30 great-grandchildren.

She was a member of the Union Baptist church of Burke and was a frequent visitor in Boyd and Holt counties.

Little Roberta is survived by her parents; brother—Charles William, 3; sisters—Roxanne, 5, and Mary Helen, 2 months.

Wins \$1,032 Award from Firm

The whiskers being worn by Norman Wood (above), son of Mr. and Mrs. Louis Wood of Talahua, Okla., formerly of Page, have to do with a whisker contest sponsored by the Phoenix, Ariz., division of the Garrett Corp. But the young man is in the news because he was the recipient of the highest company award given by the Garrett firm for an employee suggestion adopted by the company. Norman came up with "a multiple transducer checker," which is regarded as eight times more efficient than the one transducer formerly used by the plant. Wood's suggested jig holds eight transducers under pressure. The cash award paid him \$1,032, tax free. Norman was born at Page and formerly was a pupil in rural school district 57, two miles east of Page. Since his release from the army, he has been working at Phoenix.
