Penney Associates Get Year-End Payment

J. C. Penney company, nationwide department store organization, announced that its directors have authorized a special year-end payment for more than 50,000 associates in the company's 1,639 stores, offices and warehouses throughout the United States, including a store at O'Neill managed by G. C. DeBacker.

The payment will be an amount equal to two weeks' pay for all full-time associates who have been employed for the full year 1954, and proportionate amounts for extra and part-time associates and those employed less than a year.

All Penney associates will share in the payment except management staff members whose earnings are determined largely by the company's profit-sharing plan.
