THE GREAT NEW TEVEE l'actors 2 POWER SERIES ... MODE

For easier ... better ... safer now crop farming

Here for the first time, are advanced tricycle tractors by Ford! Two great power series, both designed for 4-row and 2-row front mounted cultivators and planters, 1-row and 2-row mounted corn pickers.

The new 700 and 900 Ford Tractors have a combination of high crop clearance and low driver seat that makes them the safest as well as the easiest handling tricycles you ever saw. You get a cradled ride on the low mounted seat.

There are many other advanced features in the new Ford Tricycle Tractors, and you owe it to yourself to find out more about them. Come in now and see Ford's first tricycles on display. You'll be glad you did!
