Glad Bulbs Do Okay in Basement

By BLANCHE SPANN PEASE, Homemaking Editor

flower planting time, I don't every day. know what is, Did you order some new glad bulbs this year, and sure signs of spring. The robins talking about the fields that will are you going to try some pan- are here chirping their songs and get planted to vetch, oats, corn

growing in the basement. They kept okay the winter before, but a wee bit warmer than is good the way. for bulbs. I do hope I won't lose a lot of glad bulbs because of our house was a mess of newly-dirt, leaving the ends stick out,

The corms grew into bulb sizes that will bloom this year and I'd hate to lose any of those.

I did order a couple of dozen more Spic and Span bulbs so I could have enough of one color for flower arrangements of one color. This is such a beautiful the new garden and have been pink anyway, the flowers so clean making great plans in my day cut and they will take more than dreams. lots of other glad bulbs.

An idea for a gift for kids to give their mothers for mother's day is a potted pansy, double petunia or even a geranium. These do not cost a forune and mom will enjoy them a lot in time to come, and she can reset them in the yard a bit later if she wishes.

short days are over, maybe we

If this isn't gardening and here. We see new evidence of it | found time for a few good books, The marbles and kites are out-

We have had one trace of rain neglected at our place. that just barely settled the dust, it seems that our basement is just but weathermen say more is on to try this season, move a rose-

this. I have quite a little cash dug parsnips for dinner. We partied up in my bulbs, as I bought boiled then fried them. That some rather expensive ones the is our favorite way of preparing year before and also bought some parsnips. We would like to have corms of some others that were enough left to put some in the so expensive I didn't think I could deep freeze, and we plan to plant another nice, long row this spring. We have the planting fever for everything, and it won't be long before the garden seed box will be brought up from the basement and we can see what we are
