

Only 3 in 1955 Chambers Class

CHAMBERS—Commencement exercises were held Friday evening, May 13, for the graduating class of the Chambers high school. The professional and recessional were played by Lois Strong with Rev. Howard Claycombe offering the invocation and benediction. Mrs. Letha Cook sang.

The salutatory address was given by Lois Brown; the class history was presented by Dorothy Hoake and the valedictory address by Shirley DeHart.

Rev. Carl Bader, pastor of the Methodist church at Ainsworth, gave the commencement address, using the topic, "Mastery." Stanley Lambert sang "Mother McCree." Frank Weinmaster, principal of the high school, presented the senior credits. L. J. Eckdahl, superintendent, awarded the scholarships. Shirley DeHart received the scholarship to the normal school and Lois Brown to a business college.

The eighth grade diplomas were presented by J. W. Walter, president of the board of education.

There were only three graduates this year—Shirley DeHart, Lois Brown and Dorothy Hoake. Only once before has Chambers high graduated so small a class.

Eighth grade graduates are Donald Hoge, Carol Tracy, Irene Brown, Elaine Walter and Mary Thomson.

Pack Medicines for Missionary Groups

CHAMBERS—The Lutheran Ladies' Aid met last Thursday afternoon in the church basement with 17 members and three visitors present. Mrs. William Jutte, president, was in charge. Roll call was answered by a mother's day verse.

It was voted to pay \$5 of the \$16 fee for each person attending the LSV school camp to be held in Fremont June 7 to 12, and at North Platte, June 26 through July 2. There will be a meeting to repack 100 pounds of medicine and drugs (doctors' samples) which Doctors Wilson and Langdon donated to the St. Louis Lutheran Mission association. This will be distributed to missionaries wherever needed.

The meeting closed with the Lord's prayer. Lunch was served by Mrs. Donald Hoffman, Mrs. Merlin Grossnicklaus and Mrs. Richard Fees.

Haying made easy

with Finger Tip Controls

on a **VALLEY HYDRAULIC Dump Rake**

It's completely automatic—including the wings. You dump, raise, and lower—all at the touch of a lever. A smooth surge of hydraulic power dumps the giant load instantly and you command the same fast hydraulic power to raise the wings, passing through even a normal ranch gate with ease.

These features mean extra years of use and Efficiency

The Valley Rake is easy on you, easy on itself. Balanced design prevents excess strain on hitch and rake while dumping. Extra strong to handle power. Channel type, bridge construction adds years of productive life to the Valley.

Flexibility means bigger loads. Hinged design allows each section to operate like a single small rake, so the Valley makes a clean sweep, even on rolling land.

Cleaner teeth are spaced every 14 inches—made from special, highly polished, ½-inch, cold-finished round.

Easy maintenance is made possible by using standard parts available at most dealers without delay.

Available in 24-ft., 30-ft., and 34-ft. lengths.
