

Akeson-Cole Nuptial Rites Are Solemnized in Iowa Church

The marriage of Gladys Janice Akeson, daughter of Mr. and Mrs. James D. Akeson of Archer, Ia., and Claude Cole, son of Charles V. Cole of Star, was solemnized Sunday, June 19, at 4 p.m., at the Archer Methodist church.

Rev. William Foster performed the double-ring ceremony before an altar decorated with baskets of summer flowers and lighted tapers. The pews were marked with vanda orchid leis. Preceding the ceremony, wedding music including "The Hawaiian Wedding Song" was played by Mrs. Al Tarnarsky, who also accompanied Mrs. Dave Martin of Hastings as she sang "Because," "O Promise Me" and "The Wedding Prayer" during the ceremony.

The bride, given in marriage by her father, wore a gown which she fashioned herself of white embroidered nylon and lighted tapers. She wore a floor-length gown of white embroidered nylon with matching headband and carried a white crocheted basket from which she dropped rose petals. Kenneth Iverson, cousin of the bride, was ring bearer and carried the rings on a white satin, heart shaped pillow.

Dave Martin of Hastings and Harold Miller of Star, attended Mr. Cole. The men in the bridal party wore white dinner jackets with black trousers and white carnation boutonnières. Seating the guests were Carl Akeson, jr., and Earl Miller of Star.

The bride's mother wore a pink linen dress with white accessories and corsage of white gladiolus.

The reception was held in the church parlors following the ceremony. Mrs. W. A. Bilsland was dining room hostess. The wedding cake was cut and served by Mrs. Sherman Iverson. Miss Langley Royce of Sioux City poured and Mrs. Carl Akeson, jr., of Archer, Ia., served the punch.

Kitchen assistants were Mrs. Herbert Saupe, Mrs. Leland Storm, Mrs. Marvin Storm and Mrs. James Volink. Waitresses were Audrey Johnson, Marlys and Lorraine Idso and Mary Kuiper. Miss Elaine Bilsland of Des Moines, Ia., had charge of the guestbook, and Mrs. Lonnie Lewis of Storm Lake, Ia., and Mrs. Marie Hurling of Paulina, Ia., took charge of the gift table.

Among the guests at the wedding ceremony were friends and relatives from the neighboring towns and Sioux City, Ames, Kingsley, all in Iowa, and Wayne, O'Neill, Star, Redbird and Hastings, all in Nebraska.

The orchid leis carried by the bride's attendants and used for decoration in the sanctuary and at the reception were sent from Hawaii by friends of the couple.

For her traveling costume Mrs. Cole chose a tan linen suit with pink accessories with a double orchid lei.

The bride is a graduate of Archer high school and National Business Training school of Sioux City, and has been employed as a legal secretary in Sioux City and Honolulu, T. H.

The bridegroom is a graduate of O'Neill high school, and studied music for two years at Wayne State Teachers college, Wayne, before enlisting in the navy. He has recently been stationed at Pearl Harbor, Oahu.

After a wedding trip to Winnipeg, Can., the couple will reside in Corpus Christi, Tex., where Mr. Cole will be stationed with the navy.

Mrs. Tom Semlak of Norfolk spent Tuesday and Wednesday visiting Tom Enright and Miss Loretta.

Builders Attend Area Conference

Attractive new architectural designs and color styling were announced as features of the 1956 models shown by National Homes corporation to its builder-dealers at a series of special area advisory meetings.

Harry E. Ressel and Francis Gilg of the North Nebraska Builders, located at O'Neill, attended the Omaha area meeting held last week.

"Home buyers will have their first opportunity to see these refinements when the new model National homes are put on display by the builder-dealers during an open-house that starts in September," Mr. Gilg said.

Six new ranch and Cape Cod architectural designs will be offered by National Homes and its builder-dealers to give home buyers a greater choice in exterior elevations.

There will also be new roof colors, designed by Beatrice West, an expert in the home field, who color styles every National home. These new colors will give the houses added brightness and charm.

The continuing improvement in the styling and design of National homes has attracted the favorable attention of large number of experts.

National Homes corporation is the nation's largest producer of homes. Today there are nearly 80,000 American families living in National homes and one out of every 48 homes being built is a National.

Among the other features that were shown by National Homes to its dealers were asbestos siding shingles that have all the appearance of cedar shakes, and a heating and air conditioning system of an advanced engineering design.
