MARKET REPORT

"OLD RELIABLE"
Tuesday, July 26th
Auction

Cattle receipts 641 head. A large supply of cattle at all centers coupled with a fat cattle trade which has little bounce left, showed most classes of cattle slightly lower this week. Most stockers and feeders looked \$0.50 to \$0.75 lower than a week ago. However, the offering today lacked as many quality kinds as our sale last week. Slaughter cattle, too, moved at lower figures, mostly \$0.50 cwt. below last week.

Steers mostly \$18.00 to \$20.00 while \$17.00 to \$17.75 bought pretty good kinds. Some \$50-lb. steers sold for \$18.70 while the heavier end of these cattle brought \$18.35 cwt. Supply of heifers was not as heavy as a week ago. Most kinds brought from \$15.00 to \$17.00 cwt.

Good beef cows mostly \$10.00 to \$11.00; good cows mostly \$9.00 to \$9.75. Cannors and cutters \$8.00 to \$9.00 cwt. Bulls mostly \$11.00 to \$13.00 cwt.

WE ARE ANTICIPATING A LARGE RUN FOR NEXT WEEK AND HAVE SENT OUT ADVANCE ADVERTISING. IF YOU HAVE CATTLE TO SELL EARLY CALL ERNIE WELLS OR DEAN FLEMING AND LIST THEM TODAY!

Store and dry your corn for full profit

BUTLER corn storage BUILDINGS and Force-Aire drying equipment

Now you can safely harvest your corn with up to 24% moisture... cut field losses. Then store and dry it on the farm... get full support prices. New Butler corn storage buildings keep ear or shelled corn clean, bright and dry. Butler Force-Aire drying fans and ducts reduce moisture to safe, "grade-standard" levels in 3 to 5 weeks.

Bolted building goes up fast and easy in days instead of weeks. Capacities, 5,000 to 100,000 bushels. Meets USDA storage and re-sealing requirements, eligible for ASC loans and fast, 60-month tax writeoff. Pay as little as 20% down under ASC loan program.

Let us show you why BUTLER is your best buy in storage buildings. COME IN SOON!
