Letters to Editor

Spencer, Neb. My mother's folks were old-timers in Holt county. At that time their postoffice was in Hainsville, which is located south of Star. Her father's name was David C. Billick. My aunt was the oldest child in the family. She attended school at Dorsey. A single daughter in Holt county and later was married to Norman McNamee. He was principal of the O'Neill school in 1888.

In later years she was married to Albert Aaberg at Bazil Mills and still later moved to California where she has lived since.

I am sure she would enjoy The Frontier as much as we do. The news in it is so complete for this section of the country.

Please change the mailing address on mine from Gordon Hinckle to Mrs. Phyllis N. Hinkle, Spencer, Neb.

Thank you very much. MRS. PHYLLIS N. HINKLE

Woodbine, Ia. July 28, 1955
Gentlemen:

In a recent Omaha World-Herald article we noted your town has been enjoying a swimming pool since May, 1954.

We would greatly appreciate it if you would give us the details of the procedure your P-TA and American Legion followed to promote the swimming pool. How did you finance the project? Who was your engineer? And any other pertinent information which might help us create an interest and follow through on a similar project for our town. Thank you.
