Cattle receipts 1,415 head. With receipts exceeding early estimates by 600 head, it would indicate that cattle runs from here on out will show considerable expansion over a year ago—just another reason why you who have cattle to consign should list them in advance, to give us every opportunity to properly and accurately advertise them. With the exception of a few choice cattle the market generally was 25 to 50 cents per hundred lower than last week. Top yearling steers \$18.75 to \$19.50. Good kinds \$17.00 to \$18.00. Top heifers \$17.35. Bulk of choice grades \$16.50 to \$17.00. Medium to good \$14.50 to \$16.00 cwt. Cows of all classes ruled a full half-dollar lower. Bulls fully steady.
