Have You Visited Library Recently?

"How long has it been since you visited your public library?" asks Miss Bernadette Brennan, Grattan township librarian. "If you haven't been there recently, you owe it to yourself and your community to pay it a visit, for your library offers you the world's greatest bargain in entertainment and education. "Your library is built around books, of course—books for pleasure reading, for self-improvement, for hobbies, for do-it-yourself projects, reference books, great books and little books. "We have books for every age group. "If your eyesight restricts your reading, Grattan librarians can tell you how to go about getting books and magazines on records. The Readers' Guide at the library will locate that magazine article you wanted to read and have lost track of. The new magazines are available at your library, as well as a file for three years previous. The more you patronize your library the more it will grow. "Only patronage can do this," Miss Brennan declares. "Your public library is supported by tax funds from Grattan township. It is open on Wednesday, Thursday, Friday and Saturday, from 2 to 5:30 p.m. On Wednesday and Thursday evenings, from 7 to 9 o'clock. "Why not drop in? Maybe you don't want a book just now. Be curious! Come in, anyway!" Tune in "Voice of The Frontier", thrice weekly!

Inman News
