### Cardinals Roll Over Butte, 40-7

### Sharp Blocking and Tackling Pays

The St. Mary's academy Cardinals moved into a tie for third place in the Niobrara Valley conference with a 40-7 win over the Butte Wildcats in a game played Friday at Butte.

It took the Cardinals just four plays to score. Raymond Donohoe zipped 21 yards on a reverse and Tom Schneider finished with a 17-yard sprint after taking a pitchout from Tom Head.

Head plunged for the extra point.

Three plays later Butte fumbled and SMA took over on their 5. Head scored on a quarterback sneak and Schneider added the point to make the count 14-0.

Butte unleashed a drive that rolled up four first downs but the threat was halted by the return of the Cardinal first team.

The Cards took over on their own 12 and marched 68 yards to score with Jerry Schmidt taking a pass from Head for the final 9 yards. Two fifty runs by Schneider and a 21-yard pass from Head to Donohoe supplied big yardage.

The Cardinal B team began a drive late in the first half, the push carried 30 yards with Gary Holly bootlegging the final six yards to the goal line. A Holly-to-Bruce Weier pass was good for 22 yards enroute. The try for a field goal failed. Halftime score was 26-0.

The Cardinals wasted no time in squelching Wildcats second-half hopes. Head returned the kickoff 15 yards. Schneider went 22 to supply the big advance. Donohoe went 10 yards on a reverse to score and took a pass from Head for the extra point.

Good blocking and tackling paved the way for the Cardinal win. Matt Hynes and Schneider were defensive standouts while Schneider and Head supplied the offensive power. Schneider carried six times and picked up 107 yards. Head passed for one TD, scored one and supplied three extra points.

SMA gained 261 yards compared to 90 for Butte. Lavern Pritchett has been made student manager.

### O'Neill High Faces Creighton Next

Coach Marvin Millers' O'Neill high Eagles scuttled the Burwell Longhorns, 13-0, on the Carney park grid here Friday night. O'Neill kicked to Burwell and the visitors were obliged to punt. After working the ball methodically down field, Fleet Halfback Kenny Backhaus punched over the initial O'Neill touchdown in the second period, scoring from the Burwell 3-yard-line.

The Longhorns couldn't get inside O'Neill's 20 during the entire first half.

Most of the third period was spent in midfield with neither team able to muster a drive.

In the final stanza, Vernon Passieux raced about 45 yards down the middle for pay territory. Enroute he picked up a key quarter back Tackle Bob Burival. Quarterback Bob Porter hit Frank Fetrow with the try for extra point, which ended the scoring.

Coach Miller had loud praise for his green line, which turned in a veteran performance.

Halfback Ellison was Burwell's best performer. Ellison's speed was a constant threat. He is state B high and low hurdle champ.

Showing well for O'Neill were Mike Liddy, Ray Thomas, Roger Niemeyer, Robert Young and Frank Fetrow in the line, and Passieux, Porter and Backhaus in the backfield.

Friday night the Eagles visit the Creighton Maroons' camp and the Blues will go into the game as a favorite. Creighton is undefeated, having hit Atkinson 7-0, Tilden 20-0 and Hartington 21-7.

### Baby Alligator Fascinates Kids

When Ed Hood returned last week from a rail trip to Louisiana, he carried in his hand a battered metal lunch box with a perforated lid.

Inside was a four-weeks-old alligator taken from a bayou creek.

The alligator (Mr. Hood doesn't know whether it's a male or a female) is doing all right in this northern clime, munching on fresh ground hamburger and living near a tub of water.

The specimen measures 10 inches in length from the tip of the mouth (there are small teeth) to the tip of the long tail.

A congregation of O'Neill kids delighted in watching the imported curio perform on a slab of cement. Mr. Hood told the children the adult alligators lay eggs about the size of a goose egg in the sand, usually in a protected spot. The mothers and fathers grow to be several hundred years old, he told his wide-eyed listeners.

"I'm going to try to keep him alive as long as I can," Mr. Hood declared. "I'm afraid he'd never get through the winter in one of our creeks."

Mr. Hood resides 18 miles north of O'Neill, one-half mile and one-half mile south.

A congregation of O'Neill kids delighted in watching the imported curio perform on a slab of cement. Mr. Hood told the children the adult alligators lay eggs about the size of a goose egg in the sand, usually in a protected spot. The mothers and fathers grow to be several hundred years old, he told his wide-eyed listeners.

"I'm going to try to keep him alive as long as I can," Mr. Hood declared. "I'm afraid he'd never get through the winter in one of our creeks."
