**Girls Visit Ranch; Enjoy Hay Ride**

ROCK FALLS—On the afternoon of Thursday, October 13, Mrs. William Murray of O'Neill brought a group of girls out to the Lazy FJ ranch where they participated in a hay ride, after having loaded the hay in the rack themselves. They were driven by Linda Johnson over a rather rough and rocky trail, through pastures and meadows where they were unloaded to hike along the creek for a mile or so exploring the works of the beaver in that vicinity, also routing out some deer, who thought they were well hidden away for the day.

As a result of the hike there were several wet feet and some more than that. Unfortunately, there were some who couldn't walk foot logs as well as others. However, at the end of the trail

they were treated to a wiener roast with all the trimmings, followed by a few songs accompanied by Linda on the guitar.

The occasion was in honor of Sharon Murray's sixteenth birthday anniversary. She received some gifts.

There was only one complaint—the afternoon was much too short.
