St. Mary's academy cagers will open their home season by playing host to the Stuart Broncoes Friday night. Preliminary game at 6:30; main event at 8.

Season tickets have been on sale for the past two weeks and may also be purchased at the game. Season ticket holders are urged to use the doorway on the left as they enter. Single admission fans are to use the doorway on the right.

The Bronco-Cardinal game will be a re-match of last year's tussle in the first round of the district meet. In that game St. Mary's defeated the Broncoes, 57-47. Both teams will have practically the same starting lineups, except for two men. Stuart lost Hytek via graduation and the Cardinals will be without the services of Tom Head, due to a knee injury. Neither team has been impressive to date, Stuart losing to Spencer and Ainsworth and defeating Naper. The academy kids edged Niobrara and lost to O'Neill high.

Next Wednesday, December 14, the Cardinals will play host to the high-scoring Inman Tigers. This game is not included on the season tickets. Contract calls for gate receipts to be split after expenses are paid.

**Number of Personals
Signaled to Crowd**

A new look has been added to the basketball games to be played at O'Neill this year. In order to aid the fans in keeping better track of the game, signs have been made which signal the number of fouls committed by each player. Whenever a player fouls, the spectator needs only to glance at the scorer's table to determine how many fouls are officially chalked up against the violator.

Of course. And he comes by it naturally. For two of his greatest heroes are John Deere men—Dad and Granddad.

That's why your young one will take such pride in owning and riding a John Deere Tractor-Cycle—the toy tractor that looks just like the new John Deere Model "60"—that's built to take the punishment that youngsters are bound to put it to.

That's why your boy or girl will delight in the John Deere miniature line, too—the tiny scale models shown below that actually have functional parts and that bring a note of realism to the toyland farm.
