PAGE — Mr. and Mrs. Leo Neubaer went to Omaha Tuesday, December 6, where they went to see his brother, Harold Patterson, who is critically ill. They were not allowed to visit him. They were Wednesday night, December 8, visitors in the Roy Haynes home at Denton and returned to Page last Thursday. Harry Snyder brought his brother, Frank, to his home at Page, Saturday. He has been hospitalized at St. Anthony's for hernia. The Mrs. Summers is scheduled to arrive home on Thursday from St. Joseph's hospital at Sioux City, where she was taken for a complete check-up. She was injured last May in a two car wreck in which the four other people involved received lesser injuries. She has spent a long period recuperating from the effects of her injuries. The Norman Saltz family have had a rather serious bout with the measles. Duane was the first to have them and developed a near pneumonia condition and was hospitalized. Harlan was next and Lois has been out of school a week with a hard case of them. Mrs. Harvey Cullen spent from Monday until Friday at Page. She reports that Mr. Cullen is doing very well although no date has been set for his release from the hospital. He was taken to Omaha after having recovered from an attack of spinal meningitis and is recovering from what doctors think is a brain abscess and possibly a stroke. An epidemic of measles has been taking pupils out of school, especially in the lower grade rooms, in the Page school. Mrs. Warren Cronk spent a few days in St. Anthony's hospital last week, a victim of the influenza.

EWING — Mary Sharon Funk, who has been confined to her home with illness for the past two weeks, was able to return to school on Monday.
