

These Inman high Tigers racked up four trophies during the just-ended basketball season and narrowly missed a ticket to the state class D tournament: Gene Couch (38), Bob Reimers (32), Coach Bob Loomer, Ned Kelley (36), Sam Watson (30), and Charley Butterfield (35).—The Frontier Photo.

Inman Tigers Denied State Tourney Berth

INMAN—Coach Robert Loomer's 1955-'56 Inman high Tigers came to the end of their glory trail Friday night.

Even in defeat it was a glorious ending because the class D Tigers already had annexed four trophies and created a congestion in the school's trophy case.

Victors of the Center class D tourney during the week of February 20-24, the Tigers were assigned to the Stanton regional playoff where they emerged victorious in the first game—against Hampton—and were edged out in the finals—by Dodge.

Dodge represents northeast Nebraska D schools in the state tournament this week in Lincoln.

Earlier in the season, Loomer's kids had captured the Sandhills Gateway conference tourney, they shared honors with Elgin for the Sandhills conference championship, they captured the Hot county title, and, at season's end, wrapped up the class D district title. In the D tourney they defeated Long Pine, Verdigre and Page in that order.

Loomer's kids posted a season's record of 23 wins and three losses. The defeats were by narrow margins: Elgin, 52-53, with two Inman players sidelined by illness; Ewing, 80-84, and Dodge, 55-63.
