Mr. Farmer... This Is Your Invitation:

Dear Friend:

You and your family are invited to be our special guests at our coming John Deere Day program.

On that day, planned and set aside just for you, everything will be our treat—including a presentation of entertaining, full-color movies which we're sure you'll enjoy from beginning to end.

The feature film, "Tim's Choice," is a happy-type picture built around our modern, bewildering—but ever-lovable—rural youth—a picture that could well have been filmed right in your own home. Many other colorful films—both entertaining and educational—fill out a day of enjoyment you'll long remember.

If you have not already received your free tickets—be sure to call for them at our store.

Remember—keep this date open!

Ford Wins at Stock Car Racing "Olympics"

HERE'S FORD'S RECORD AT NASCAR'S DAYTONA BEACH NATIONAL SPEED WEEKS

FIRST In Sports Car Acceleration
A Ford Thunderbird set a new record for American production sports cars.

FIRST In top speed—class 4
A Ford "Six" took top honors in the Flying Mile for Class 4 American production passenger cars!

FIRST In 160-mile Convertible race
Ford V-8's took 1st and 2nd place in the National Convertible Championship Race.

FIRST In over-all performance
Ford won the Pure Oil Manufacturer's Award for the most consistent performance.

The Ford V-8 again showed its tailight to all competitors in the "Olympics" of stock car racing at Daytona Beach, Florida.

In blazing across the finish line Ford demonstrated once more the sizzling performance that keeps it the largest-selling V-8 in the world. No other car in the field could match Ford for getaway "git" ... for straight-away acceleration ... for all-around roadability. To see exactly how the other cars trailed behind Ford, see the chart at the top of this page.

One of the secrets of Ford's performance is the tremendous torque (wheel turning power) developed by Ford engines. For

example, Ford's new 225-h.p. Thunderbird engine develops more torque than any other engine in the low-price field. This means quicker response, smoother running in the kind of driving you do! Just nudge Ford's accelerator and whoosh! You pass in instants when instants count!

Ford now offers this mighty 225-h.p. engine with any Ford Fairlane or Station Wagon model with Fordomatic. What's more, these engines are coming off the assembly lines right now! So why wait? Come in today for a Test Drive. Find out for yourself about Ford performance. Find out why Ford is the V-8 with the biggest following!
