**"OLD RELIABLE"**  
**MARKET REPORT**  
 Tuesday, April 10th, Auction  
 —With heavy receipts of over 2200 cattle, auction was not finished in time to get a report out last week. A reversal of recent trends in demand was very evident, with fleshy feeder steers and heifers in best demand at 50 cents to \$1 cwt. advance. While lightweight replacement cattle to graze looked as much as 75 to \$1 lower, due no doubt to the acute moisture situation. Around 400 feeder steers weighing from 750 to 900 lbs. sold from \$17.95 to \$18.85 a hundred. 125 head of very fancy 470 lb. steer calves sold at \$21.25 to \$21.75 but except for these very few others sold above \$20.50 with the bulk of steer calves at \$20.00 and down to \$18.00 depending on quality. Heifer calves and yearlings sold in a range of \$16.00 to \$18.35 a hundred. Butcher cattle and beef cows sold firm to 25 cents higher. Demand was broad for good breeding cows at \$120.00 to \$160.00 per head for a choice load of young cows.

**Tuesday, April 17th Auction**  
 Receipts 1317 head. In spite of the gloomy moisture outlook, we had a right good auction. Illinois, Iowa and eastern South Dakota buyers, where moisture conditions are better, were the main support to the market. Heifers and heifer calves sold strong with a week ago, as did feeder steers with flesh and weight. The cow market as 25 to 50 cents up, canners and cutters from \$9.00 to \$10.00 and beef cows from \$10.25 to \$12.00. Thin stocker cattle held barely steady.
