Tractor Overturns; Ewing Man Hurt

EWING—Willis Rockey, manager of the Ewing Farm Supply, was seriously injured Friday afternoon when a Ford tractor fell on him from a four-foot loading platform.

The accident occurred when his foot slipped from the clutch and hit the brake, causing the tractor to make a complete turn. The machine toppled backwards from the platform, pinning Mr. Rockey beneath it. The loader on the tractor and the quick response to the call for help by Adrian Silva, mechanic, are credited with saving Mr. Rockey's life.

Willis was made as comfortable as possible on the ground where he lay 45 minutes before the arrival of an ambulance, which took him to the Antelope Memorial hospital at Neligh. He was placed under an oxygen tent for 48 hours.

He has eight ribs broken and one lung is collapsed. He also suffers numerous minor injuries. His wife, Carol, is near him.

Holiday Brings Beneficial Rain

A downpour starting about 4:30 o'clock in the afternoon on the Fourth netted .98 of an inch here. The rain didn't interfere with the traditional fireworks exhibition at the Country club because the skies cleared and the refreshed populace turned out.

Potratz-Shaw Rites Sunday Evening in Bassett Church

BASSETT—St. Peter's Lutheran church in Bassett was the setting for the Sunday evening, July 8, wedding of Miss Janelle Potratz, daughter of Mr. and Mrs. Walter Potratz, and Wayne L. Shaw, son of Mr. and Mrs. Harold Shaw of Atkinson.

The double-ring ceremony was performed at 7:30 o'clock by Rev. Walter Hartman of the Zion Lutheran church, Ainsworth. Large baskets of daisies, pink lighted tapers and large baskets of daisies formed the setting as Mrs. Lyle Gordon of Norfolk sang "I Love You Truly" and "The Lord's Prayer" with Betty Jo Kapperman as accompanist.

The bride appeared in a waltz-length gown of beige lace fastened with a round neckling forming a deep V in back and long sleeves that tapered to bridal points at the wrist. Her accessories were white and she carried a lavender orchid. Sister of the bride, Mrs. Ardelle Potratz, sister of the bride, was matron-of-honor and was dressed in a waltz-length gown of yellow net over taffeta with matching accessories. She carried a colonial bouquet of white daisies.

Richard Shaw served his brother as bestman. Anthony Stec of Bassett was an usher. Kaye Moore of Bassett had charge of the guest book.

The mother of the bride chose a navy blue lace dress with white accessories and a pink and white corsage. The bridegroom's mother chose a brown print dress with tan accessories and a yellow corsage. The grandmothers of the bride and bridegroom wore pink and white corsages, respectively.

Eighty guests were served at the reception immediately following the ceremony in the church parlors. Marcella Maurer, Loreta Coleman and Linda Shaw had charge of the gifts. Mrs. Ernest Mauch, aunt of the bride, presided at the punch bowl, and Mrs. Everett Shaw, aunt of the bridegroom, poured the coffee. The three-tier cake was baked and decorated by Mrs. Dick Shaw, sister-in-law of the bridegroom.

The bride was graduated from Rock county high school (Bassett) with the class of 1953 and has been employed with Consumers Public Power district for the past 2½ years.

The bridegroom was graduated from the Rock county high school with the class of 1952. He served three years in the army spending 27 months in the Far East.

Following a short wedding trip, the couple will live on a ranch southeast of Bassett where the bridegroom is engaged in ranching with his father.

Picnics, Fireworks, Rain Highlight Week

Moisture Needed at Rock Falls

ROCK FALLS — Outstanding items of the past week: Picnics, fireworks and scattered thunder showers (varying from light to heavy, accompanied in some instances by hail) and the atmosphere pleasantly cool after the extreme heat of the past weeks.

However, much more rain is badly needed" throughout the area according to Mrs. Floyd Johnson, the Frontier's Rock Falls correspondent.

counties. Chairman Sellers called a meeting of committeemen for Wednesday night.

It is estimated there are 60,000 persons in the proposed viewing area and 20,000 families.

Contributions for the Hayes Center satellite averaged \$20 per family (that is, those families who contributed).

The Bi-States officials would build a station with a 500-ft. tower and with a bay-type antennae 80-ft. high. They will engineer, supervise and operate the station for a period of at least 10 years.

Spot commercial announcements would be available for regional clients, and revenue from that source would help to staff the station with about five or six people.

KHOL-TV is the only TV station in the state that has had satellite experience. A Sioux Falls, S.D., station has two satellites at present.

If the move for funds fails, it was decided at Wednesday night's committee meeting, all money will be refunded to the donors except up to five percent, which will be used to defray the committee's "administrative costs."

Meanwhile, a "piped-in" subscriber type television plan, offering two channels for subscribers in O'Neill, Atkinson, Bassett and Ainsworth, is still in the customer sign-up stage.

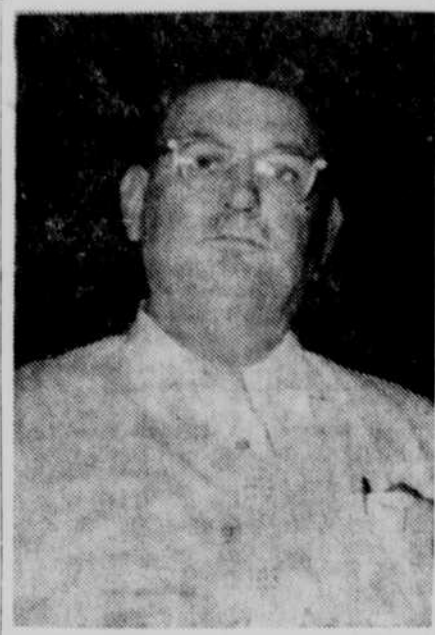

Bristow Man Suffers Compound Leg Break

BRISTOW — Berger Danielson of Bristow fell from a hay-stack Tuesday afternoon, July 3, at the John E. Lightfoot farm near here. He suffered a compound fracture of the right leg and a fractured heel on the left foot.

Mr. Danielson was given emergency treatment at Sacred Heart hospital at Lynch and was transferred there evening by ambulance to an Omaha hospital.

The right leg is in a cast from the hip to the toe; the left leg is in a smaller cast.

His sister, Mrs. Thorsten Hokanson, her husband and their two daughters, presently are on an eight-weeks' tour of Sweden visiting relatives.

2 Lynch Men Hurt As Car Leaves Road

VERDIGRE—Two Lynch men were injured Sunday morning when the car in which they were riding went off state highway 14 six miles south of here.

Kenneth Stewart, 21, driver of the automobile, suffered cuts and bruises. He was treated at Lynch hospital and dismissed. A passenger, Norman Spelts, 22, suffered a brain concussion and other undetermined injuries. He was taken to Lynch hospital where his condition was described as "serious."

Patrolman James Hodwalker of the Nebraska safety patrol said the car, which was east-bound, evidently went off the right side of the road, swerved across to the left, went into the ditch and rolled over two and one-half times.

The exact cause of the mishap had not been determined.

On Thursday, July 19, demonstrations and handicraft will be given by Mrs. Lewis Wray, Mrs. Catherine Indra, Mrs. Robert Martens, Mrs. E. A. Bouska and Mrs. J. C. Nutter. This meeting will be at the park.

No Need For... Continuous Advertising!

PREACHERS
Should preach only one sermon or so a year. People are against sin, anyway, so why harp on it?

TRAFFIC LIGHTS
Should be turned off at dangerous intersections to save electricity. Everybody knows it's a dangerous spot and that is sufficient.

TEACHERS
No need to review lessons. Tell the children just once and they'll never forget.

HIGHWAY POLICE
Stop driving up and down the highways. No need to caution drivers by patrolling highways. Drivers know the law and should obey.

OUT OF TOWNERS
That advertise in the local paper and mail order firms that send out catalogs are wasting their money. Everyone knows what is sold at stores in town and they'll shop at home.

BUT
If you are one of the foolish kind—like the Notre Dame cathedral that has stood six centuries but still rings the bell every day to let people know it is there—and believe in continuous, profitable advertising, then you will advertise in...
