Maytag

**no other automatic
washes MODERN fabrics so easily!**

NOW, wash your most delicate things as safely as your regular wash in the new Maytag All-Fabric automatic. It's the only automatic that you can do the same things as when you hand-wash modern fabrics. Push the "Modern Fabric" button, and the Maytag's two-speed motor automatically slows both agitating and spinning speeds to handle delicate things carefully.

Maytag All-Fabric Automatic

with your choice of

1. Slow or normal speed for delicate or regular fabrics.
