

Zesty Kraut Aids Duck Dinners

By BLANCHE SPANNS PEASE, Homemaking Editor

Zesty kraut is traditionally served with rich foods such as pork, goose and duck. For a simple and appealing flavor try combining kraut with other types of meat such as beef chuck, veal shoulder and lamb.

For example here's a kraut and paprika beef recipe using chuck beef. It's an economical dish.

KRAUT AND PAPRIKA BEEF
Three tablespoons butter or margarine, 2 cups sliced onions, 1 tablespoon paprika, 1 1/2 teaspoons salt, 1 pound chuck beef (cut into cubes), 2 cups water, 1 No. 2 1/2 can kraut, 1 tablespoon butter or margarine, 1 tablespoon brown sugar.

Melt three tablespoons butter or margarine, add onions and saute until golden brown. Add paprika, salt, beef and water. Cover and cook over low heat about one hour or until meat is tender. Cook kraut over moderate heat, stirring occasionally, until thoroughly heated. Drain off liquid, add one tablespoon butter or margarine and brown sugar. Heat until butter and sugar are melted. Place on serving platter and top with meat and sauce.

One of these days those of you who raise ducks will be having roast duck and maybe you'd like to try stuffing the duck with kraut stuffing. You'll never know whether you like it or not until you try it. Might be delicious!

ROAST DUCK WITH KRAUT STUFFING
One 5- to 6-lb. dressed duck, 1/2 teaspoon salt, pepper, 1 No. 303 can kraut (drained), 1/2 cup finely chopped celery, 1 apple, pared, cored and chopped.

Place duckling on rack in roasting pan, sprinkle surface with salt and pepper. Combine kraut, celery and apple. Stuff the cavity of the duck with this mixture. Tie legs securely to-

gether. Roast backside-up in moderate oven of 325 F. allowing 20 to 25 minutes per pound.

GOURMET KRAUT COLLASH
One No. 2 can kraut, 2 cups pared and chopped apples, 1/2 cups chopped onions, 1/2 teaspoon paprika, 1/2 teaspoon black pepper, 1/2 teaspoon salt, 3/4 cup

tablespoons butter or margarine, 1/2 lb. diced pork, 1/2 lb. sliced veal, 2 tablespoons chopped parsley, 1/2 cup condensed tomato soup, 1/2 cup sour cream.

In a kettle combine the kraut, apples, onions, paprika, pepper, salt, wine, and water. Mix thoroughly. Cover and bring to a boil. Cook over low heat for one hour.

Melt butter or margarine over medium heat. Saute diced pork, apples, onions, paprika, pepper, and wine until tender, not browned. Combine meat mixture with cooked kraut. Add parsley and soup. Cover, bring to boil and cook gently 45 minutes. Remove from heat and add sour cream slowly, stirring constantly.

Note: If very tart apples are used, add one tablespoon sugar.

Canned Bushels of Tomatoes
532 West 5th St.
York, Neb.

Dear Frontier Woman:
Another canning season, we had bushels of tomatoes to can and hope everyone had as good luck with their gardens as we did. Have our cans filled with vegetables and fruits and in the basement, ready for next winter and saved from the grass-hoppers, which are quite bad here.

When peeling apples or peaches for canning, drop them in vinegar-salt water. I use two tablespoons of salt to a gallon of cold water. Rinse the fruit well before canning. This keeps it from turning dark when you are ready to can.

Make little girls' and boys' shirts from the tails of discarded men's shirts. Trim with bands of bright colored material.

A cup of bleach in water helps clean linoleum of hardened floor wax.

When glassware develops small nicks on the edge of the base, you

can rub it smooth again with fine sandpaper.

Close zippers on wash day garments before laundering them since the zippers may tear other garments.
