**Meanie Hans Schmidt to Try Bill Melby**

**TV Title at Stake Here Next Week**

Hans Schmidt, now holder of the United States TV wrestling championship, will put his title on the block at the O'Neill high school auditorium Wednesday night, November 21. Hans, the hated Teuton, will risk his \$10,000 TV championship belt against one of the National Wrestling Alliance's stoutest challengers, Bill Melby of Provo, Utah. The sponsoring O'Neill Saddle club announced the champion has agreed to the full title distance—two out of three falls to a 60-minute time limit. Schmidt, known as the number 1 villain of the game, reached championship heights after years of campaigning. As the master meanie, Schmidt met them all—but the champs have avoided him like a plague. Just two months ago Wilbur Snyder, who had lifted the TV crown off Verne Gagne's head just half a year earlier, agreed to a championship match in Chicago, Ill., and 15 thousand fans saw Herr Hans pluck the plumb. Melby, whose "cobra twist" is one of the most deadly devices of the modern game, is one-time coholder of the world's tag team championship. So in O'Neill he'll get a chance to add a sole crown.

Dan Bigelow scored on a two-yard plunge to open the scoring

and cap a 60-yard drive. Taylor tallied in the second period after a blocked punt on the Bassett 30 set up the score. The Broncos led 14-0 at the half. Schmaderer scored the final two Stuart touchdowns on runs of 11 and 13 yards. Bassett tallied in the fourth quarter on a 35-yard pass from Marcelus to Richards. **Market Report**

Reports the Auction for November 7  
A day of few cattle and a nice run of butcher hogs with four buyers taking the assortment at very high prices. Pigs selling fully a \$1.00 per hundred higher than a week ago or the best the pigs have been this fall. The run of cattle was some smaller due to the weather, compared to the previous Wednesday Auction. Several consignments of good calves and yearling that missed, will be in for sale on the next Wednesday Auction. We sold a few small bunches of good calves very high with the average calves still selling in that big advertised price range of 14c to 18c. We still think we have a better market.
