For Ottawa Festival**

Some of the new colorful 120,000 Dutch tulip bulbs being planted under the shadow of the Peace Tower of the Canadian Parliament Buildings in Ottawa to provide an outstanding display of more than one million tulips at Annual Festival time next May.

Ottawa has been literally blooming as a tourist center the last few years and floral experts are working to make sure it continues to do so.

Canadian National Railways tourist officials say the annual Spring Tulip Festival which colors the borders of the Canadian capital's already picturesque 22-mile Federal District Commission Driveway, attracts thousands of visitors.

In fact, Ottawa sources say the breathtaking tulip display has helped Ottawa blossom forth to the second most popular tourist spot for American visitors to Ontario. Only Niagara Falls, the honeymoon mecca, leads Ottawa in the number of annual visitors.

One hundred and fifty gardeners have this Fall planted more than 120,000 new tulip bulbs which next spring will give Ottawa a display of more than a million tulips. In

addition, 270,000 crocuses and 2,000 daffodils have been planted.

Some 200 varieties are represented in the more than one million tulips in Ottawa's 22 main flower beds throughout the city and around the Parliament Buildings, which are adjacent to the world-famed Chateau Laurier.

To Ottawans, tulips were just another flower until Queen Juliana of Holland came to Ottawa during the second World War after the Netherlands was overrun. When the Queen returned to Holland she sent Ottawa 20,000 tulip bulbs and pledged another 16,000 each year of her reign.

Although tulips are the major attraction of the annual festival usually held in May, crocuses and daffodils are found in Rockcliffe Park there is one bed where one million daffodils bloom. **FNS**

**Clincher Dropped in  
Final 10 Seconds**

A late rally by the St. Mary's academy Cardinals fell short as the Center Panthers managed to hold on and outlast the Cardinals, 46-42, here Friday night in a resumption of cage play.

Trailing 32-44, the Cards caught fire and dropped in 10 points to pull within two points, 42-44, with 30 seconds remaining. A bad pass went out of bounds and allowed Center to take over and Center dropped in the clincher with 10 seconds left.

The Cards, unable to hit with any consistency from the field or the gratis line, used a tight defense to slow down the high scoring Panthers, who entered the game boasting a 75-point-per-game average.

Center moved out front, 14-9 in the first quarter only to find the Cardinals tying it up, 16-16. Center gained a 23-16 halftime margin.

An early second half rally pulled the Cards back into the game, making the count 22-24. The relentless Panthers again broke away and commanded a 36-28 lead going into the final session. The Cards continued to drop behind, trailing 32-44 before they made their desperate final bid.

Larry Tomlinson and Jim Decker supplied the firepower for the Cards, each hitting 14 points. It was Jim McGinn's six points in the final rally that kept the Cards in the game.

Having their coldest night of the year, the Cards were able to hit only 28 percent of their field goal tries.

The game was won and lost at the charity line with Center hitting 10 out of 17 while St. Mary's hit only six out of 15.

Center's Big Jim McGill was restricted to 14 points, eight of which came via the charity line. McGill, standing 6-5, failed to hit a field goal until the second half, and scored only three times from the field, twice on tip-ins.

Jim Froelich and Tom Schneider shared time guarding the big boy and did a commendable job.

It was St. Mary's second loss of the season and Center's ninth victory without a defeat.

The academy reserves tested their first defeat of the season, 41-39, as the Center reserves remained undefeated for a two-year span. Giving way to a great amount of height, the Card seconds were unable to cope with the tall boys. Clark led with 12 points.

**Goodsell Wrecker in  
Thrill Game**

A 6-5 long boy named Goodsell spilled disaster to the O'Neill high Eagles here Tuesday night, leading his mates—the Burwell Longhorns—to a 61-51 victory over the Blues.

Coach Bill Edwards' Eagles are still searching for win number one. They hope it will come Friday night when they entertain the Keya Paha county high (Springview) Indians in a North-Central conference game.

The Eagles were not necessarily outplayed, but Mr. Goodsell established some sort of a scoring record by rolling in 14 field goals and 13 freethrows—a nifty total of 41 points.

The Longhorns' height hurt the Blues, plus, of course, the ever-present Mr. Goodsell, who was getting most of his points from the field. Edwards' kids were not necessarily outplayed in floor game but Goodsell's un-

**Old, New Year  
Are Impersonated**

LYNCH—After benediction of the blessed sacrament at the Assumption BVM church Monday evening, December 31, the parishioners were guests of Rev. Charles Kamber to watch the year out and the new year in at the rectory.

Father Kamber showed movies of his travels in different countries and cities he had visited; also of the parishioners as he has visited in their respective homes at summer school and the hospital.

As the old year was about to fade away, Margene Weeder appeared, dressed in a long black robe, cap and mask. She gave a reading reminding the people that "she"—the year of 1956—wasn't so bad, renumerating the good things "she" had brought. Margaret Birmeier appeared dressed in white, representing the new year and asked the cooperation of each and everyone present to help her make the year of 1957 the best year of all.
