# A 100 PER CENT TAX ON RACING!

Everyone benefits from thoroughbred racing at Ak-Sar-Ben. There are no stockholders. All of the proceeds must be used to benefit all of the people.

No individual can share in the proceeds from thoroughbred racing at Ak-Sar-Ben or at any of the other race meetings in the state. Nebraska, alone among all states, does not permit racing for private profit. Our law provides that race permits can be obtained only by State or County Fair Associations, or non-profit organizations conducting annual Live Stock shows, such as Ak-Sar-Ben.

Every dollar of our net racing receipts is channeled back to all the people in a vast program of charitable, educational and civic activities. Ak-Sar-Ben provides yearly more than a quarter of a million dollars for this program. This is equivalent to a 100 per cent tax on racing!
