*Automatic Defrost
*Up-front Storage

Swing away freezer door and it's hide-away vertical freezer that holds 40-lbs. of frozen food. All shelves chrome plated. Has two 14-qt. crispers. Antique white with coppertone trim.

The Artisan "Wasp" 18-inch ROTARY LAWN MOWER

gives you a budget priced mower with many features normally found in only the higher priced models. The "Wasp" combines a heavy duty aluminum base, which is rugged yet light to handle, with a full 1 1/2 H. P. 2 cycle gasoline motor to give you the effortless mowing you would expect from more expensive units. The "Wasp" moves up close to sidewalks, fences and buildings and the 18-inch vacuum lift blade lifts the grass up to insure smooth even cutting. The bright green crackle finish with red motor and handle will make this a motor you will be proud to own.

Hiawatha "75"—the standard of the waterways. Packed with 75 h.p. of fighting energy that cuts cleanly into the water and makes even the larger hulls sit up and plane right. A motor any fisherman or lover of the waves would be proud to own. With its gracefully flowing design and superb engineering not an inch of space or an ounce of weight is wasted. Trolls down to the slowest pace with never a miss. Take the "75" for convenience features too: the exclusive Siphonomatic ends "tin-can" bailing. Cushion spring mounting and Hush-Master underwater exhaust provide quiet vibrationless operation. And you'll like the full gear shift, easy off hood, steering grip throttle, and other features found only in the top utility motor of them all, The HIAWATHA "75"
