AN INFORMAL MESSAGE to the Voters of O'Neill

We take this opportunity to thank you for your cooperation during the past twelve months. While we have not accomplished as much as we had hoped, we have made definite progress in our promise to reduce unnecessary spending and effect savings in the administration of our city government.

We have:

- Saved approximately \$2,400 in Police Dept. expenses, compared to the 12 months previous.
- Saved approximately \$600 in Street Dept. expenses.
- Saved approximately \$3,000 in the Water Dept. expenses.
- Lowered the tax levy for city purposes from 19.5 mills (1955-'56) to 18.9 for 1956-'57. In addition, a one-mill levy for street-widening (committed by an earlier administration) is included in the 1956-'57 levy but was not included in the 1955-'56 levy.

When the Schaffer administration took office May 1st, 1956, there was a \$19,581.98 balance in the city treasury. When the city's fiscal year ends April 30, 1957, there will be a balance of approximately \$25,000 in the treasury. During the past 12 months it has been necessary to spend \$3,100 for a snow removal-dirt moving tractor outfit and \$990 for a share in fire-fighting apparatus. These have been the only two items of capital expenditure, and both have been paid for.

Street-widening, as mentioned above, armory site and airport improvement were committed by earlier administrations.

We feel we have made good progress in our pledged effort to restore the city government to a sound financial basis. But more work remains to be done. Barring unforeseen emergencies, we hope to do more in that direction in the future; possibly lower taxes further.

We feel O'Neill is now a pleasant place to shop and parking has been made more attractive to shoppers.

We fully endorse and urge you to support the following candidates for City Council positions in the Tuesday, April 2 Election:

(x) **M. J. GOLDEN, First Ward (incumbant)**
(x) **DR. E. M. GLEESON, Second Ward**
(x) **RAY LAWRENCE, Third Ward**

We thank you for your interest and solicit any suggestions that you may have to offer to make our city a better place in which to live.

Signed: **D. C. SCHAFFER**
