**Cadillac**

**Old Friends in a New Light!**

Let's assume you've known them for some time. And now—in the moment of a glance—you first behold them in the company of a Cadillac car. There's just no question about it . . . something wonderful happens!

For the presence of a Cadillac car underscores—and most dramatically so—many of the things that enable you to think well of them.

It goes almost without saying that their Cadillac lends form and substance to whatever measure of achievement life may have brought them.

Certainly, it reveals their interest in the safety and well-being of their fellow passengers.

And, most assuredly, it evidences the wisdom with which they select their personal possessions. Incidentally, you may have noticed, of late,

that the Cadillac car has cast its revealing light on an ever-growing number of your own friends. There is every reason why this should be so. Its original cost is remarkably modest—and several models are, in fact, priced competitively with those of lesser makes. Its operating economy is extraordinary—with a record of dependability and longevity that is without equal in the industry. And its resale value stands at the very summit in used-car markets all across the land. Certainly, this triumvirate of Cadillac economies deserves your personal investigation—and your dealer will be delighted to tell you the whole wonderful story at any time. Stop in soon—for a ride and a revelation!
