How This Newspaper Helps Advertisers...

Through this man's work

Actually, he's not on our payroll, but this auditor helps us to help you do a better job.

He has been specially trained in the examination of circulation records by the Audit Bureau of Circulations.* His objective findings tell us how well we are doing in the distribution of your sales messages. They keep us alert to more effective coverage opportunities.

He helps us to help you in another way, too. His findings are an inventory of our circulation audience—facts that help you invest your advertising money on a sound business basis.

Ask to see a copy of our latest A.B.C. Audit Report this week and let us show you how these facts can help you do a better advertising job.
