## Latest Fashion for Skirts -On Cars

Wheel openings, often referred to as "skirts" in the automotive adustry, have undergone vast changes in design.

In years past the open wheel well was considered unattractive,

and designers came up with a cover that attached to the skirt, partially hiding the wheel. More recently, hub caps have been replaced by glistening stainless steel wheel discs. These handsome add much to a car's appearance so off came the attachment

The skirts shown above are just a few of the new styles on 1957 mrs. All of these are outlined in gleaming stainless steel to show off their wheel discs. The large stainless steel discs have become so distinctive because of production techniques made possible with stainless steel that many manufacturers no longer use names to be you know the make and model of the automobiles whose

## Quick 'N Easy Lunchtime Treat

A noon-time salute to the Earl of Sandwich for his contribution to our menu! The popular sandwich that bears his name is dear to the hearts of all of us, especially when served with a thick, nourishing homemade milk shake for a quick lunch.

A sandwich and 'shake gives us the elements of a filling meal, and now that milk shake mixes are on the market, preparation for both luncheon items is quick and easy. To make two thick, frothy chocolate, strawberry or vanilla 'shakes at home, simply follow directions on an envelope of milk shake mix, or try this recipe for a delicious Vanilla Malted:

Vanilla Malted Milk 2 tablespoons malted milk powder 2 cups cold milk

2 ice cubes (optional)
3 rounded teaspoons sugar
1 package vanilla Kool-Shake Milk Shake Miz Combine malted milk powder and ½ cup of the milk, stirring untipowder is well dispersed. Pour into shaker or quart jar and adremaining milk. Add ice cubes, if desired. Add sugar, then mile
