City-State Pact for Highway 20

A preliminary agreement between the city of O'Neill and state-federal highway authorities was entered into Tuesday evening at the September city council meeting. Three blocks on West Douglas will be a part of the new route of U.S. highway 20 between O'Neill and Emmet.

The proposed new route will extend from the present West O'Neill corner westward three blocks. Those blocks will be hard-surfaced and widened to be compatible with the portion of West Douglas that is now designated as U.S. highways 20 and 281.

The city also finalized documents for the new 12-thousand-dollar administration building at the Municipal airport, and construction will start in the near future. The state aeronautics department has indicated its share in the building costs can be increased. The federal government pays half the bill; the state and city divide the other half.
