High Corn Yields

High Corn Yields at Chambers Told
CHAMBERS — The district manager for a hybrid seed corn company came from Creighton recently to make tests on demonstration plots at the Edgar DeHart farm west of Chambers. While here he made several tests of field yields in the community. Some of the DeHart corn made 100 bushel per acre and 70 bushel per acre.
On the Chet and Ernest Jungbluth place the yield was 120 bushels per acre and on the Wood Jarman place 107 bushel per acre.
These tests were all made at 80 pounds to the bushel. They know the corn will shrink but they still think it's a "lot of corn."

RAIN AT CHAMBERS
CHAMBERS—This community received .57 of an inch of rain over the weekend and 23 Monday forenoon, thus far making the total for the month .80 of an inch.

Sell Purebred Cows—
Roland Miller and son of O'Neill recently sold six purebred Aberdeen-Angus cows to William C. and Beulah Kruse of Winneton.

Emmet News

Excelsior Club Meets with Mrs. King—
LYNCH—The Excelsior club met with Mrs. Fred King Monday evening, October 7. Thirteen ladies were present. Mrs. James Price was assistant hostess.
Mrs. Leland Moody presided at the meeting. Mrs. Price read the collect and Mrs. Richard Ducker, reading leader, gave a reading, "What is a Boy" written by Herbert Hoover. Mrs. Fred King, music leader, read an article on the life of the author of the Thanksgiving song "Come Ye Oh Thankful People". Mrs. Moody urged all ladies to attend achievement day at Spencer, Thursday, October 17.
Mrs. Moody also gave a report on the extension club county council meeting. The 1938 club lessons will be: outdoor cooking; furniture arrangement; the lady and the law; let's eat fruit; property and casualty insurance; food facts and fallacies that affect your health.
