Chevrolet stylists have taken full advantage of nine inches in added length to mold low, sleek beauty into their 1958 models, as shown by this view of the Bel Air sport sedan. Strong eye-appeal is found in the modish grille, the dual headlights and low, flat hood. Notable also is an unusual Sculpturamic styling which supplies an air of distinction. A new engine, new frame and two new suspension systems are only a few of the major chassis advances. Station Wagon, Bel Air, Biscayne and Delray Series are offered.

CARDS OF THANKS

WORDS cannot express our sincerest thanks to all our relatives and friends for the messages of sympathy, the beautiful floral offerings and the many other acts of kindness which helped to lighten our burden of sorrow in the death of our loved one.—WALTER K. SMITH AND FAMILY. 28c

I WISH to express my sincere thanks to the kind neighbors, friends and relatives who were so kind during my stay in the hospital and for the lovely flowers, gifts and letters while in the hospital and at home. Again I thank you.—MRS. W. F. CONNER. 28p50

THE EXTREME KINDNESS and thoughtfulness shown by our friends and neighbors during my long illness and our recent sadness helped so much to comfort us. We are sincerely appreciative.—THE JOHN PRUSS FAMILY. 28p50

I WISH to thank all those who sent cards, gifts and letters to me while I was hospitalized. I surely appreciated them.—SHARON DANIELS. 28p50

Dramatic Styling in '58 Chevrolets

Dramatic new styling and outstanding engineering advances mark the 1958 Chevrolet which made its bow last Thursday at the A. Marcellus Chevrolet Co. showrooms here.

Chevrolet has been labeled "the car of the year" by newsmen and technical writers who attended private showings.

Also on public display is the rakish 1958 Corvette and the latest in Chevrolet truck line.

The 1958 Chevrolet is new from bumper-to-bumper and from frame to roof line. The all-new features include:

A completely re-styled car which is longer, lower and wider and emphasizes flowing sculptured lines from the dual headlights to softly flared rear fenders.

An X-shaped frame which allows a lower silhouette but retains ample head room and increases leg room and luggage space.

Two suspension systems for a more luxurious ride along with remarkable handling, stability and durability.

Sturdy coil springs, front and rear, are standard. A new "level air" system which automatically adjusts to all load weights is optional.

A 48-cubic inch engine which is new from fan to flywheel. Designed primarily around a new combustion chamber, the optional Turbo-Thrust V8 offers greater torque for improved mid-range performance.
