Dimes Blaze Trails in Rehabilitation

The face of polio is changing because you give to the march of dimes. As the march of dimes made the Salk vaccine a reality, so today it is blazing new trails in human rehabilitation, helping thousands for whom further help once seemed impossible.

The march of dimes is changing your life, too. It's researchers are pioneering in exploration of viruses and virus diseases. Your march of dimes is a bulwark of strength in the nation's fight to conquer disease and disability.

Please help your local chairman and her co-workers, explained Mrs. Robert Mertens of Atkinson, Holt chairman for the 1958 drive.
