Come to Holt County: The Record of the Get . . . Is the Proof of Our Bulls!

45 BULLS — 25 FEMALES

- The bulls are good aged bulls.
- We have a number of bred cows and the rest are heifer calves.
- As you look over our bulls you will not see any highly fitted bulls. We, as an Association, believe that the siring ability of our bulls is more important than the condition that we have them in, or the price they may bring.
- The Siring Ability Proves the Value of the Bulls!

A DORMITORY— AND THEN SOME

AK-SAR-BEN

Dormitory . . . dining room . . . recreation area all under one roof in Ak-Sar-Ben's wonderful new Concourse. Now 4-H girls and boys have complete facilities right at the scene of the annual Ak-Sar-Ben Livestock Show and the world's largest 4-H Beef Show.

The new Concourse is also connected with the general exhibit area. So each year more than a thousand Midwestern young people have an opportunity to work together and live together, to exchange ideas, and to have fun. These new facilities are carefully supervised by representatives of the Extension Service. The recreation room is under the direction of County Agents. And a trained nurse is in attendance at all times.

The cost of the new Concourse and the nearly \$40,000 yearly expense of the Livestock Show come from revenues provided by thoroughbred racing. The valuable lessons learned by the young 4-H and FFA exhibitors in this great competition make it one of Ak-Sar-Ben's most worthwhile activities.

In addition to the annual livestock exposition, Ak-Sar-Ben contributes in many other ways to help train the ranchers and farmers of tomorrow. There are the Ak-Sar-Ben Scholarship program, premiums and prizes at Nebraska County Fairs, Training Institutes for 4-H leaders, post-graduate scholarships for county agents and FFA instructors and cash awards to outstanding 4-H and FFA youngsters.
