Only Bonus-Pak offers such a bargain in nutrition!

15% More Proteins and Minerals

Milk protein helps burn up body fat and builds solid, attractive muscles.

The minerals in milk help build and maintain steady nerves... strong bones and teeth.

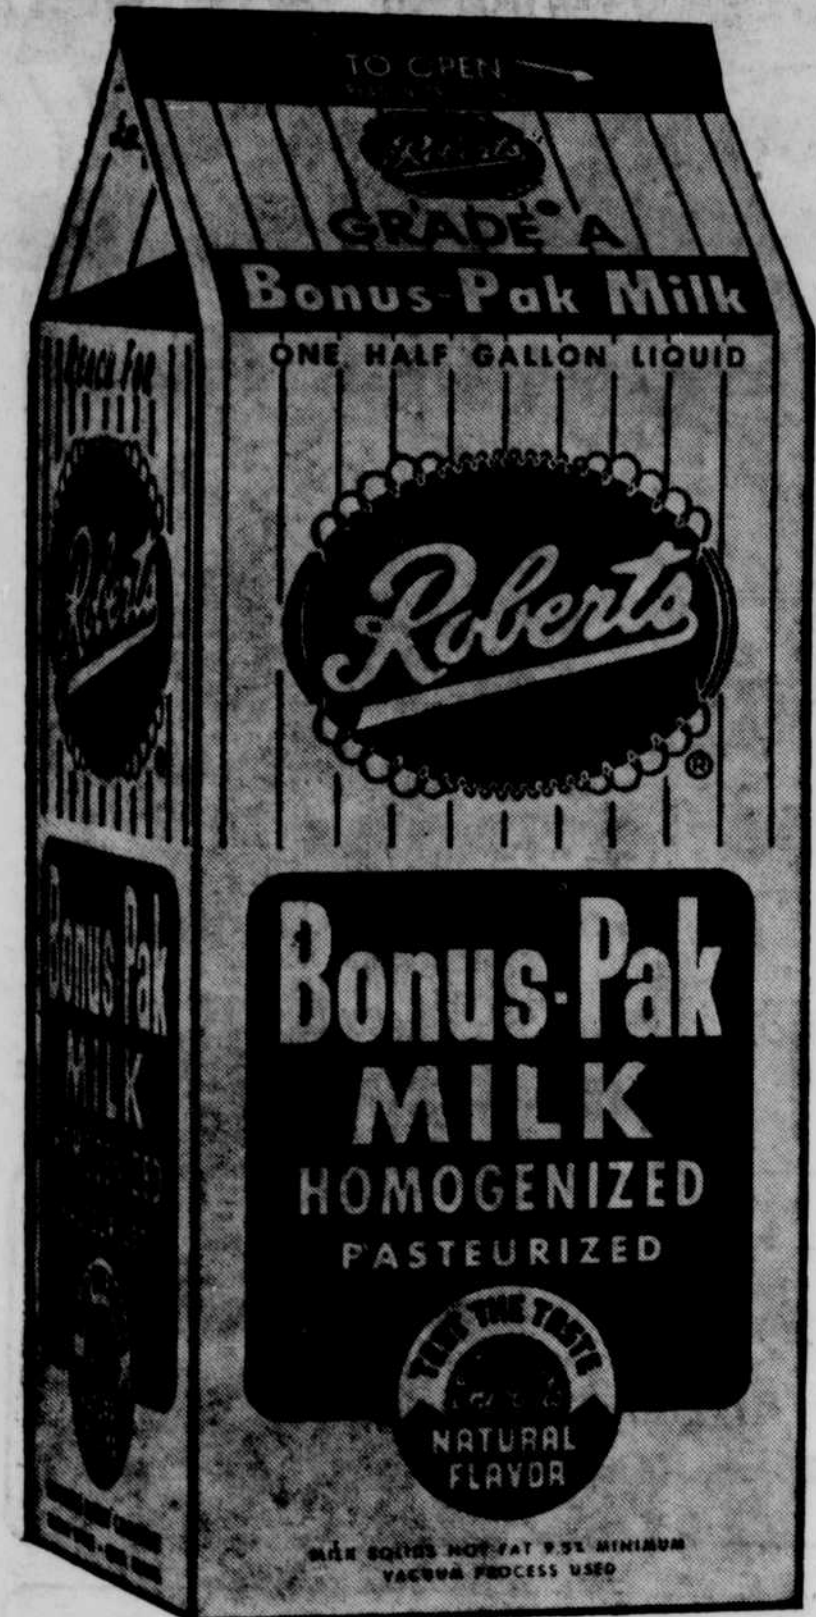

That's why it's so important that you get plenty of these vital nutrients in your daily diet. And that's why you will want to buy Roberts Bonus-Pak, the brand-new dairy product that gives you an additional 15% of these milk proteins and minerals.

Yes, 15% more of these milk proteins and minerals than is required by the U.S. Public Health Code. And only Roberts Bonus-Pak offers such a bargain in nutrition!

To increase the nutrients in Bonus-Pak, Roberts Dairy decreases the amount of water normally found in whole milk. This water is removed through a vacuum process which concentrates the nutrients. The flavor will show you the difference immediately. When you pour out a glass of Roberts Bonus-Pak, your first delicious sip will tell you this difference.

And if you're interested in economy, you'll find it in Bonus-Pak. You pay no premium. In fact, you buy at a saving.

So reach for Roberts Bonus-Pak, a fortified whole milk sold at low cost in two-quart cartons.
