I CAN'T find words to express all the gratitude I feel toward everyone for all the things done for me—the ambulance drivers from Spencer to O'Neill, to Lincoln and return—to everyone for the cards, letters, gifts and words of encouragement; to the doctors and nurses for the care and kindness shown me. No words are adequate to express my feelings, but I hope this will in some measure show my gratitude. — MIKE SMITH, Spencer. 2c

I WISH to express my thanks to all my relatives and friends for the lovely cards, gifts and personal visits received during my stay at the Nellig hospital and since returning home. Also thanks a lot to each and everyone who helped my family. Thanks to the doctor and entire staff of the hospital for the good care I received. — MRS. GEORGE CLASEY, Page. 2p50

I WOULD like to thank all of my relatives and friends who remembered me while I was hospitalized by sending cards and visiting me. — WILLIAM KIPPLE, Inman.

Great Plains Pact Will Be Signed

The Holt county soil and water conservation district supervisors will meet in regular session tonight (Thursday) at the courthouse annex.

They will select two teachers to receive \$50 scholarships for the conservation short courses to be presented at Doane college in Crete May 26-June 7 and at Chadron State Teachers college August 2-16. The first Great Plains program contract is expected to be signed at this meeting.

Gov. Victor E. Anderson has proclaimed the week of May 11-18 as soil stewardship week in Nebraska. This proclamation was made in cooperation with the national observance of soil stewardship week as sponsored by the National Association of Soil Conservation Districts. Observance of soil stewardship is recognized by all of the leading religious faiths in America.

Sixteen hundred churches in Nebraska in 1957 observed this week of dedication to soil and water resources.

The Holt soil and water supervisors held a meeting for the ministers at the Annex in April. Ministers from O'Neill, Chambers and Page attended and saw two conservation films and colored slides of some of the conservation work recently accomplished in Holt.

Tree planting will be completed this week. The new Nesbitt grass seed drill has been in operation for a little more than a week. In order to facilitate seed drilling the soil and water conservation district supervisors have a man available on Thursday to fill seed orders and also Saturday afternoon by appointment.

Two Escape Serious Injury at Bridge

CLEARWATER — Two men escaped serious injury when their car struck the Clearwater creek bridge one-mile east of Clearwater Monday at 1:45 a.m.

The driver, Roland Cadwallader, 24, of Inman, suffered a bloody nose and his passenger, Robert Davis, 21, of O'Neill, received a bruised ankle. Cadwallader was formerly employed at Otters Jewelry store in Neligh.

A channel iron was dislodged by the impact of the car against the bridge and the iron pierced the automobile from front to back. Had Davis, who was sleeping on the back seat, raised his head he could have been killed by the pole. The car turned upside down in the accident and slid through the bridge coming to rest in the center of the highway at the west end of the bridge.
