Orchard Man, 86, Seriously Injured

Butterfield Taken to Hospital

ORCHARD—Frank E. Butterfield, 86, was seriously injured about 4:15 p.m. Friday, July 11, when his northbound car collided at a county road intersection with an eastbound oil delivery truck driven by Willis W. Rocky, 35, of Ewing.

Rockey was unhurt although shaken.

Butterfield was treated by Dr. D. L. Fletcher and was removed by ambulance to Our Lady of Lourdes hospital at Norfolk. He suffered a fractured right arm, head concussion, chest and spinal injuries.

Butterfield was placed in an oxygen tent and relatives were summoned.

State Highway Patrolman Eugene Hastreiter, who investigated, said Butterfield was traveling alone in a 1930 car, which was totally damaged. Rocky was coming from the west, travelling eastward. The accident took place at the junction of the Creighton road.

Hastreiter said visibility was bad at the corner because of a field of sweetclover. Eastbound traffic, he said, approached the intersection coming out of a draw.

Rockey told Hastreiter the front of the delivery truck was damaged.

Hospital attendants Wednesday were still uncertain as to whether there were any internal injuries. Mr. Butterfield is gaining in strength.

Mr. Butterfield's children include: Edwin Butterfield, Mrs. Fred Spar, Mrs. Otis Mettles and Mrs. Ernie Boelter, all of Orchard; Mrs. William Berner and Mrs. Fred Smith of Norfolk; Floyd Butterfield of Atkinson; Mrs. Walter Phillips of Lincoln; Mrs. Floyd Hildreth of Verdigris.

Mr. Butterfield . . . seriously hurt in accident.

Tests for School Beginners Set

"If you have a child whose fifth birthday anniversary comes after October 15 and before January 1 and you wish to have him take the test approved by the state board of education for entrance into kindergarten next year, make arrangements for such tests with the county superintendent soon."

This is the advice from Miss Alice French, Holt county superintendent of public instruction. Testing will be done August 14 and 15, but arrangements must be made now.

The examination will be administered by Doctor Clifton of the University of Nebraska, who has been certified by the state department. The requirements will continue to be a mental, physical, emotional and social age of at least five years six months which will make it difficult for a child to pass. A fee of \$5 plus a share of examiner's expenses will be charged.

No tests are given to five-year-old children to determine eligibility for entrance into the first grade.

Optometrists Meet in O'Neill Today

The Northern Nebraska Optometric society will hold its annual golf tournament and steak fry at the Country club here today Thursday.
