Atkinson to Get New Postoffice

Real Estate Option Secured and Bids Soon to Be Sought

Rep. A. L. Miller (R-Nebr.) told The Frontier in a telegram Tuesday that the postoffice department has accepted an option from Claude and Vera Humphreys for a site in Atkinson upon which it is proposed to advertise for bids for construction of a new postoffice building for Atkinson. The site is at the northwest corner of Central and Main sts. and provides a site of seven-thousand-square-feet. This will be advertised for bids in the near future, Miller said. Meanwhile, an officer of the regional postoffice headquarters at Wichita, Kans., was in O'Neill to make a preliminary study of future needs for the O'Neill postoffice. John W. Berkhile, assistant to the regional director, indicated expanded dock, truck parking and driveway facilities are needed at O'Neill to accommodate increased truck traffic that resulted from the loss of Chicago & North Western trains 13 and 14. It is possible the postoffice department will ask the city to open an alley.

Letters May Be Posted 'Til 10

The lobby of the O'Neill postoffice will be open until 10 p.m., daily, except Sundays and holidays, effective today (Thursday), it was announced Wednesday by Assistant Postmaster Harold E. Weier. During the past two months the lobby has been open until 9.

The hour later closing will afford patrons an opportunity to post first-class and air mail for same night departure. This compensates in part for loss of mid-night mailing privilege at the depot during the time the Chicago & North Western trains carried mail. Messengers will clear mail from the government boxes at the Golden hotel corner and in front of the postoffice at 9:30 p.m. instead of 8:30 p.m.—the previous schedule. Several bouquets of flowers were sent by friends and neighbors.

Clyde E. Kiltz, Wife Celebrate

From Engineering to Farming

CHAMBERS — Mr. and Mrs. Clyde E. Kiltz observed their 50th wedding anniversary Sunday, August 31, at their home located 4 1/2 miles northeast of Chambers. They were married August 31, 1908, at Elgin, Ill. — the former home of Mrs. Kiltz. Open-house was observed from 2:30 until 5 p.m. with scores of friends and relatives calling and signing the guestbook. The three-tier anniversary cake was baked by Mrs. Leonard Peterson and it was decorated by Mrs. Ralph Rees.

The table decorations were made by Mrs. F. F. Leitner of Elgin, Ill., sister of Mrs. Kiltz. Refreshments of ice cream, cake, coffee punch, mints and nuts were served. Mrs. G. H. Grimes acted as hostess and Mrs. Phyllis Kiltz, had charge of serving. Friends assisting were Mrs. C. V. Robertson, Mrs. E. R. Carpenter, Mrs. Charles Coolidge, Mrs. Glenn Grimes and Mrs. Gail Wintermore.

Mrs. T. E. Alderson, sister of Mr. Kiltz, served the punch and Mrs. Louis Hartley poured the coffee. The cake was cut and served by Mrs. Leitner and Mrs. Richard Kiltz. Miss Katherine Ann Kiltz, granddaughter of the honored couple, registered the guests.

Mrs. Kiltz greeted her friends in a Dior blue lace dress and wore a corsage of variegated yellow mums. Beautiful floral arrangements graced the livingroom and diningroom. Several bouquets of flowers were sent by friends and neighbors.

The Kiltzes are the parents of two children — Miss Phyllis of Janesville, Wis., and Dr. Richard of Washington, D. C. There are two grandchildren — the Misses Karmen and Katherine Ann Kiltz, both of Everett, Miss Karmen could not attend the celebration because she was entering the University of Washington this week.

Mr. Kiltz was born in Union, Ill., and came to Nebraska in 1886 with his parents, the late Mr. and Mrs. Fred Kiltz. His parents were homesteaders seven miles northeast of what is now Chambers. He attended rural school in the community and attended high school in O'Neill. He taught rural school briefly and left the farm in 1904 to attend Lewis Institute in Chicago, Ill., studying electrical engineering.

One of his schoolmates and acquaintances, Lee DeForrest, subsequently invented the vacuum tube which was the forerunner of modern television, radio and other forms of communication. Clyde was engaged in electrical engineering work when he met Jessie Beck, which was Mrs. Kiltz maiden name.

She was born in Edinburg, Scotland in 1885. Her father was a Scottish railway employee and decided to transplant his family to America. Jennie was three-years-old when the family located in Elgin, Ill. She was educated there and graduated from high school at Elgin. She was employed in a secretarial position prior to her marriage.

Mr. Kiltz also worked at Saginaw, Mich., and Somerset, Pa. They came to Holt county 43 years ago. Mr. Kiltz is retired from active farming and ranching.

The Kiltzes were active members of K. I. L. A. Presbyterian church for many years. They now attend Bethany. They have been active in all phases of community life and Mrs. Kiltz has been a member of the Valley Center extension club for nearly 30 years. She is a member of the Kellar club.

A family dinner was held at the Town House in O'Neill Saturday night.

Doctor Kiltz served in the medical corps during World War II in Europe. A graduate of the University of Nebraska college of medicine, he is now a radio-urgist at Everett, Miss. Phyllis Kiltz returned last week from Rome, Italy, where she had spent the summer as a Fulbright scholar

studying Latin. She heads the Latin department in the Janesville public schools and holds a master's degree from the University of Southern California. Mr. Kiltz's mother was Adeline Perkins Kiltz. The Perkins family is of direct lineage of the John Maine who came to America in 1639. The state was named for Mr. Maine. Politically Mr. Kiltz professes
