

## Four Outbreaks of Grass Fires

### Page Rural Firemen Kept Busy

PAGE—Four small outbreaks of fire have alerted residents to the fact that the country is tinder dry, and it is quite possible to transform a spark into a blaze that quickly becomes a fiery furnace. Friday's call was to the Kenneth Heiss farm where a passerby saw the fire and reported it to a neighbor. Shucks and trash had been burned in the forenoon for a clean spot to pile corn. The fire was supposed to be "out". Three tires on a nearby tractor were ruined with about \$100 damage.

Monday the rural firemen were summoned to the Ervin Mosel farm where some shucks became ignited in the cornfield where Mr. Mosel was picking corn. Wiring on the tractor was burned and there was little other damage.

Tuesday's fire was a grass blaze at the Roy Grubbs farm where Mrs. Grubbs was burning trash. The blaze got away from her.

The Ash Grove ladies, who cleaned up after their bazaar, discussed the advisability of burning their trash and decided if they took the trash to the middle of the road it couldn't take off and do damage. But the flames spread quickly and burned off an area in a field before being brought under control. The ladies quickly formed a bucket brigade with the hand-pumped pump handle pushed to capacity.

### Gainer-Jarman Troth Announced

CHAMBERS—Mr. and Mrs. Herbert Bartels of Dayton, O. have made known the engagement of Mrs. Bartels' daughter, Miss Barbara Ellen Gainer, to Dale Jarman, son of Mr. and Mrs. Stanley Jarman of 419 Elizabeth Street, Ft. Collins, Colo. The couple plans a November wedding.

The bride-elect attended Oakwood school and Stetson university at Deland, Fla. She is now employed by General Mills Inc. at Jacksonville, Fla. Mr. Jarman, a 1954 graduate of Windsor high school, is an aviation electronics technician with the naval air service at Jacksonville, Mr. Jarman is formerly of Chambers.

### Freemen Pleased with Results

PAGE—Pleased with the success of the Friday evening oyster supper, the Page firemen voted to make it an annual affair. The supper was planned with the firemen entertaining their wives. With their cook, Cordes Walker, in the hospital the responsibility of the supper fell on Mrs. Floyd Frahm and Mrs. Arnold Stewart.

All firemen were present with the exception of Walker and Lloyd Fuessman, who is vacationing in California. Forty guests were served. Cards were played.

## '59 Lark to Be Displayed by Smith Motor Co.

Studebaker's 1959 Lark two-door sedan is powered by a 169.6-cubic inch engine with an improved combustion chamber design with a shorter stroke, plus a higher 8.3 to 1 compression ratio and new carburetion. The result: maximum economy of operation and durability, combined with smooth, lively performance. All Studebaker engines for 1959 are designed to operate efficiently on regular gasoline. A redesigned ladder-type frame provides greater torsional and beam strength. This, coupled with stronger body construction, means greater structural rigidity. The new Lark thus rides more quietly—free from annoying squeaks and rattles.

FAIR WEATHER  
ROCK FALLS—Saturday, open day of deer hunting in this area, was ushered in bright and early with a volley of shots that echoed up and down the valley like small cannon fire. The morning broke bright and clear with no wind, but there's still enough foliage clinging to trees to make it a little difficult to see well.
