

Butte Lacks Height But Boasts Speed

BUTTE — "Little height but fast." That's Coach Larry Turner's evaluation of his Butte high basketballers as he contemplates the 1958-59 season.

The season outlook, he says, is somewhat brighter than a year ago. Eight members of last year's first two teams are back in the ranks and all are lettermen.

Hopes are pinned to five senior regulars, Phil Fried, 5-11, forward; Bob Kyrriss, 5-8, guard; Dennis Rieselman, 5-11, forward; Jerry Roether, 5-10, forward; and Ken Suing, 5-11, center.

Other lettermen are Russel Anderson, 5-10, forward-guard; Terry Fried, 5-8, guard; Russel Lath, 6, center.

Also competing for berths are Randy Anderson, Don Dye, Dale Ellwanger, Joe Hostler, Garry Lewis, Edward Reiman, and Jerry and Larry Walth.

Cards Take Time to Look at Record

Opponents Score Only 12 Points

Coach Don Templemeyer's St. Mary's academy gridders have broken away their foes and many of them have turned to thirdlands for the 1958-59 basketball season.

The interval between the two seasons, however, gives the Cards an opportunity to look back on the eight-man grid season which is regarded as the most successful in history. The Cards won 10 straight (including a forfeit) and rolled up 464 points compared to their opponents' 12.

The Hilltoppers outmarched their opponents 1,717 yards to 187, and outpassed the foe, 1,070 to 237.

For the third straight season the Cards won the championship of the Niobrara Valley eight-man loop and will be pulling out next season to compete in 11-man circles.

Quick Tricks With Tasty Letters

All these goodies—designed to suit a youngster's fancy—are made in minutes . . . thanks to alphabet oat cereal, the novel ready-to-eat treat in all 26 letters of the alphabet. Here's how!

Any ordinary square cake is suddenly made to look like a telegram with just a little frosting and some tasty cereal letters to spell a greeting. Store-bought frosted cookies resemble name cards when these same little AIC's spell out young guests' names. And for the new delicious confection "Alphabet Chewy Patties"—a sure welcome to any Christmas party—follow the easy recipe below.

Alphabet Chewy Patties
1½ cups marshmallows
1 cup Post Alpha-Bits
½ cup tender thin-flaked coconut

Melt marshmallows over hot water. Mix in cereal and ¼ cup of the coconut. Sprinkle half of the remaining coconut over wax paper. Drop cereal mixture by teaspoonful onto the wax paper. Sprinkle remaining coconut around edges of patties, pressing into mixture lightly. Makes 10 to 12 confections.
