Get More Production From Your Saw!
Install New, Powered-up OREGON Chipper Chain

More speed! More drive! Your chain saw has both these days. To get maximum production from any new hi-speed, direct-drive saw, the latest OREGON Chipper Chain is now powered-up to cut faster, stay sharp longer, withstand greater stresses. Users of all makes of saws are enthusiastic about OREGON Chipper Chain's powered-up cutters, drive links, tie-straps, rivets. When you buy a new saw . . . when you replace a worn chain . . . ask for OREGON Chipper Chain by name. It will give you more production, more profit, because it's powered-up to match today's increased saw speed and drive.
