George Petersons Move To O'Neill

Four of the newest people in O'Neill are the members of the George Peterson Jr. family. The Petersons have been in O'Neill for about 3 weeks. Mr. Peterson is the manager of the O'Neill Feed Store, once managed by his father, the late George Peterson Sr.

George's wife, Mildred, and two sons, Steven, 14, and Kent, 12, comprise the rest of the Peterson family. They moved to O'Neill from Genoa, where George was employed with the Lyons Transfer Co. Previous to that, the Petersons had farmed in the Creston and Platte Center areas. They are not really strangers to O'Neill, however, says Mrs. Peterson. They have been here many times before on visits.

Members of the Methodist Church, the Petersons are now living with Mrs. Peterson sr., at 627 East Douglas. Steven and Kent are in the 8th and 6th grades, respectively.

Horseback riding is a favorite of the entire family—in fact they brought their two horses with them to O'Neill so they could continue in this activity. George and the boys are all avid hunters.

Although they miss farming, the Petersons are sure they will like O'Neill and their new neighbors.
