## Raleigh Family Arrives Here From York

This week's featured newcomers in O'Neill are the Wayne Raleigh family. Mr. Raleigh, who is employed by the Consumer Public Power District, moved his family here just two weeks ago from York.

Both Wayne and his wife, Verla, went to high school in Litchfield.

Wayne is an electrical engineering graduate of the University of Nebraska and Verla graduated from Kearney State Teachers College. Since completing college, the Raleighs have lived in several states before coming to York 15 months ago.

The Raleighs spend most of their spare time with their children, Curtis, 17 months, and Cynthia, five. Members of the Methodist Church, they have always participated in church activities and hope to continue this interest in O'Neill.

Wayne's special interest is in

amateur radio. Although he does not have much spare time to devote to it, he has built a short wave receiver.

The Raleighs are now living at 115 S. Sixth street.
