Mrs. John M. Kronschnabel nee Helen Rotherham (above) was wed at St. Peter's Catholic Church in Ewing on April 11.

Helen Rotherham Weds John M. Kronschnabel In Ewing Ceremony

By Mrs. Harold Harris

Miss Helen Rotherham, daughter of Mr. and Mrs. James Rotherham, Ewing, was united in marriage to John M. Kronschnabel, Minneapolis, Minn., son of Mr. and Mrs. George Kronschnabel of Menasha, Wis., on April 11, at St. Peter's Catholic Church, Ewing, with the Rev. P. F. Burke officiating at the double ring ceremony and nuptial mass.

Miss Rotherham, given in marriage by her father, wore a gown of imported hand clipped Chantilly lace over ice blue satin. Natural scallops of lace, sequin trimmed, fashioned the round neckline. The full tiered skirt swept to a chapel train. A sweetheart cap of tulle and lace held her veil of bridal illusion. She carried a white prayer book with a white orchid corsage. Tufts of nylon net and satin streamers tied with blue stephanotis, accented her prayer book.

Every Rotherham Lincoln, sister of the bride, was the maid of honor. Bridesmaids were the brides' sisters, Kany and Annette Rotherham and Betty Fellows, a friend of the bride. They wore ballerina length gowns in embroidered white nylon over ice blue. They wore matching blue head bands with veil. Each carried a double crescent bouquet of white button pompons with blue ribbons and streamers.

George Kronschnabel was best man for his brother. Groomsman were Ed Kronschnabel, Ronald Rotherham and Charles Fellows. Ed Kronschnabel and Ronald Rotherham also ushered.

Eddie Rotherham and Jerry Bauer served the mass. Bouquets of large white mums and small blue pompons decorated the altar. Large ferns were near the communion rail.

Mrs. Kermit Jefferies was organist and Bob Koernig sang "Ave Maria", "Pani Angelicus", "Lord I Am Not Worthy" and "On This Day".

The bride's mother wore a dusty rose lace dress with navy accessories and a white rose corsage. The bridegroom's mother chose a dress of navy with matching accessories. Her corsage was of red roses.

Following the wedding, a dinner was given by the bride's parents at St. Dominic's Hall in Ewing. After a short wedding trip, the couple will be at home at 2805 W. 64, Minneapolis, 23 Minn., where the groom is employed as hospital territory manager for Wyeth Laboratories.

Yummy Cookie Recipe Suggested by J. Sivesind

This recipe for Frosted Cashew Clusters sent to us by Joe Sivesind, local salesman of the Meadow Gold Dairy uses butter, dairy sour cream and salted cashew nuts. The results are well worth it, he assures us, for the cookies are crisp and crunchy—the kind everybody likes.

Beatrice Cooke, home economies director of the company's test kitchens in Chicago, developed the recipe as well as the butter icing that glids the top of each cookie. The cookies are good plain, too, she points out.

Frosted Cashew Clusters (Makes 4 1/2 dozen)

- 1/2 cup butter
- 1 cup brown sugar, firmly packed
- 1 egg
- 1/2 teaspoon vanilla
- 2 cups sifted all purpose flour
- 1/2 teaspoon baking powder
- 1/4 teaspoon soda
- 1/4 teaspoon salt
- 1/3 cup dairy sour cream
- 1 1/4 cups salted whole cashew nuts

Cream butter and sugar until light and fluffy. Beat in egg and vanilla. Add sifted dry ingredients alternately with sour cream mixing well. Carefully fold in cashew nuts. Drop by teaspoons onto greased cookie sheet. Bake at 400 degrees for 10 minutes. Cool and frost with butter icing. Top each cookie with a cashew nut, if desired.

Golden Butter Icing:

Lightly brown 1/2 cup butter; remove from heat. Add 3 tablepoons coffee cream and 1/2 teaspoon vanilla. Stir liquids into 2 cups sifted confectioners' sugar. Beat until smooth and thick enough to spread.

Riverside News

By Mrs. Lionel Gunter

Mr. and Mrs. Gordon Barta and Evelyn visited at the Cecil Miller home April 5.

Mr. and Mrs. John Dorielson are now enjoying electricity in their home. The REA men have

Drive For Club Camp Improvement

For years, thousands of 4-H boys and girls throughout Nebraska have been attending annual district 4-H Club Camps. In most cases, these camps were inadequate. Some improvements have been made. A great need for improvement still exists.

A drive toward that improvement will begin this spring. Plans have been made to erect a state youth camp at the Halsey National Forest near Halsey, Nebraska. May 1st a campaign to raise 150,000 for construction of the camp will get under way.

The selection of the Halsey Forest is of interest to people in this area. The site was selected because it is centrally located and accessible from good highways. It lies within the famous Nebraska Sandhills and would be built on one of the largest man planted forests in the world. The general area has less "local" camping facilities available than other areas of the state. Thus, the site could be used for various local county camps as well as statewide programs.

The camp would be available first of all for Youth Groups, then Young Men and Women groups and finally adult groups. 4-H Camps would have first call under the youth category. There will be plenty of opportunity for church groups, Boy Scouts and other organizations.

Camping facilities will be designed to handle approximately 150 individuals at a time. It will include a main lodge, recreation area, sleeping quarters and an open amphitheater. Several "shelter houses" are planned for outdoor activities. Areas for archery, softball, swimming and volleyball. A few of activities that will be available will include recreation, nature study, social activities, crafts, competitive sports and ceremonies.

Listed above is a brief outline of some aspects of the proposed camp at Halsey and the hope of their future youth programs. It will be a challenge to all who are interested in the welfare of youth development and its rewards.

People from all walks of life have been responsible for bringing the youth development idea this far. The co-operation of many more will be necessary before the undertaking is realized.

This spring, when you are contacted to contribute to this drive, remember it will be for an investment in Nebraska youth. A good camping experience can certainly be listed on the credit side of personality development.

Not only is this camp an investment in Nebraska youth, it is also a step forward in the development in Nebraska youth, it is also a step forward in the development of Nebraska itself. To maintain a dyna-

O'Neill Locals

Crowded Out Last Week

Leslie McKim, son of Mr. and Mrs. Lyle McKim, arrived home Friday evening following his discharge from the Navy.

TEST AGAINST THE REST SEE FOR YOURSELF WHICH VALUE'S BEST

THE LARK BY STUDEBAKER

- Come in and drive The Lark—compare it with any other car for value. You'll find The Lark stands alone.
- SIZE—three feet shorter than conventional cars, yet room for six in spacious comfort.
- SAVINGS—The Lark costs less to buy, far less to operate—lowest of all insurance rates, far lower gas and maintenance bills.
- ENGINEERING—skilled Studebaker craftsmanship plus spirited "6" or super-powerful V-8 performance.
- STYLING—so fashion-right, it's approved by Harper's Bazaar. Wrap-around view of the road, Sapphire-Enamel finish that needs no waxing, handsome interiors in practical vinyls.
- Small wonder Lark sales are way up (fastest rising sales curve in the industry).

The LARK's amazing gas economy was recently proved in the Mobilgas Economy Run when The LARK V-8 equipped with automatic transmission outscored all other V-8's by delivering 22.28 miles per gallon. The LARK "six" turned in even better mileage. The LARK is available as a 2 and 4-door sedan, station wagon and hardtop. Overdrive also optional on all models.
