

Letters to the Editor

The following poem was written by Mrs. Jennie Eppenbach, after the death of Phyllis Larson. Precious Lord Jesus guide Thou the way Homeward to heaven Yearly to stay. Love, peace and gladness in gloryland Living in mansions prepared by His hand. Inside the city the streets are of gold; Secure in Jesus, we never grow old. Look through the doorway at God on His throne. Angels are ushering to Him His own. Resting in Jesus so sweet to behold. Sweeter each day as the mysteries unfold. Oh, all this grandeur with Jesus so dear. Never a heartache, a sigh or a tear. By Mrs. Jennie Eppenbach, O'Neill.

ask yourself these questions Before you buy a steel building

DOES IT GO UP FAST AND EASY?
Don't waste time and money on costly hired help for a week or more when you build... with the new SIoux Steel Building you'll do the job yourself with only two-on-the-farm helpers in a fraction of the time. SIoux is fast, easy and practical.

IS IT BIG ENOUGH FOR ALL YOUR NEEDS?
SIoux is... with room to spare. A full 20 ft. high... 40 ft. wide... and lengths to fit any need. (It even enlarges in sections for expansion).

IS THE COST LOW?
With the new SIoux Steel Building you'll store more, pay less. Size, strength, long-life with a price tag that will surprise you.

CAN IT BE FINANCED?
SIoux can... approved by A.S.C. for grain storage loans, with 20% down and 5 years to pay. In many cases the building can pay for itself in storage benefits alone.

IS IT FARMER-PROOF QUALITY?
Only the new SIoux steel building gives unmatched SIoux quality in a farm building. From wall to wall, from sill to eave, the SIoux steel building is a perfect example of the quality that has marked SIoux steel equipment for nearly 40 years.

IS THE STRENGTH, SOUND AND DURABILITY OF BUILDING BEST ON SHOW?
