ELECTRIC COOKING, WATER HEATING...

NUMBER ONE CHOICE
 of Happy Homemakers

FLAMELESS, CLEANER, AUTOMATIC, COOLER
 Free-standing or built-in, an electric range and oven is first choice in today's modern homes. Keeps your kitchen cooler, cleaner because it's flameless. Automatic controls make cooking easier, more accurate.

FLAMELESS, CLEANER, FULL-TIME, FASTER
 A full-time electric water heater gives instant hot water. Provides unlimited service 24 hours a day; automatically and quickly heats an additional supply of water as needed. Safer because it's flameless; no watching, no waiting.
