

Many features of the balanced design of Oldsmobile for 1960 may be seen at A. Marcellus Chevrolet in O'Neill. Entering the picture at the left is a 1960 Oldsmobile Dynamic "88" Celebrity Sedan. The chrome-plated bars in groups of three across the front give the grille a wide stable look. The outboard pair of headlights are set slightly to the rear of the inboard pair with a block numeral "88" for identification. In the "98" and Super "88" series the Oldsmobile crest is used for identification. At the right is the unique rear end treatment of the 1960 Oldsmobile as seen on the "98" Holiday Sport Sedan. In the center background is a 1960 Oldsmobile "98" Holiday Sport Coupe showing the clean lines which feature Oldsmobile's balanced design for 1960. See the New Olds at A. Marcellus Chevrolet Company this weekend.
